Lawrence Favors Widening Of Lincoln Highway West; 900 At Democratic Rally

The Democrats advanced their battle to retain control of the state administration in Harrisburg and to send Gov. George M. Leader and James M. Quigley to Washington in a rally in the Gettysburg High School auditorium Wednesday night.

Pittsburgh's Mayor David L. Lawrence, Democratic candidate for governor, was joined on the platform by Lt. Gov. Roy E. Furman who had been his opponent in the Democratic primary in May. Furman urged that those present "go with me and help put a Democratic administration in Harrisburg for the next four years."

Lawrence emphasized the need to promote agricultural development. "Pennsylvania is recognized as a great industrial giant," Lawrence said. "Unfortunately, too few people realize that it is one of the nation's great agricultural states also, producing a wide variety of quality farm products."

"State A Partner"
"As governor, I propose to make the state a partner with the farmers and marketing associations in promoting the full use of Pennsylvania's quality farm products. Certainly, the people of Adams County, which produces its huge crop of fine apples, know how important promotion of these products can be to the farmer's income."

"Farmers in other states have been doing a better job than we have in advertising the diversity and the high quality of their agricultural products. In this phase of our economic life, as in every other, Pennsylvania must fight for its rightful and proper share of the market, just as we must battle continuously to attract new industrial might to this Commonwealth and to encourage the expansion of our existing industries."

Lawrence said he would be "a conservationist in its best modern sense" in preserving water, wildlife, soil, forest and human resources.

Danger Of Complacency
"It's wonderful," he continued, "that several Republican and independent newspapers have endorsed my candidacy." But he cautioned against the danger of complacency. He called on Democrats to "get our story to the people."

The "danger-complacency" theme was echoed by all of the party candidates and leaders who spoke to an audience of between 800 and 900 persons.

Quigley, candidate for Congress in the 19th district (Adams, Cumberland and York Counties) noted that the New York Times is convinced that "Quigley will be elected to Congress." Ten years ago the Times was sure that Thomas E. Dewey would be elected president, Quigley said, and Republicans were complacent.

Cites Stauffer Record
Quigley said that his opponent, incumbent Congressman S. Walter Stauffer, is conducting a "quiet campaign." He quoted the Stauffer theme of 1956, "Ike needs me." But, Quigley said, in one day in April, 1957, Stauffer voted against President Eisenhower's program 11 times. "They weren't the only times," Quigley added.

The Democratic candidate said he is not running on "what Ike needs or wants" but on what the people of Adams, Cumberland and York Counties want.

Charles B. Bender spoke briefly in behalf of his candidacy for representative in the General Assembly from Adams County. His fellow candidates strongly urged that he be supported.

To Plan Centennial
Lawrence said he is looking forward to participation in planning the 100th anniversary of the Battle of Gettysburg and urged that voters "send Charlie Bender to Harrisburg so that he can work with me on those plans."

Lawrence also promised that widening and improving of the Lincoln Highway "is one of the things that will be considered."

John S. Rice, secretary of the Commonwealth, who served as master of ceremonies, said, "We've had the experience of having a Democratic governor and a Republican legislature and that is something we're going to do something about."

Rice Presents Speakers
The only reference to the GOP gubernatorial candidate (McGonigle) was made by Judge John M. Davis, Democratic candidate for lieutenant governor. Davis cited that when General

TOWN NATIVE EXPIRES AT 90

Mrs. Flora B. Lucas, 90, of 361 Philadelphia Ave., Chambersburg, died early Wednesday at the Pines Convalescent Home there after an illness of several months. She was the widow of Effinger Lucas, who died in 1947.

Born June 14, 1868, near Gettysburg she was a daughter of the late William H. and Elizabeth Sandoe Cromer. She was a member of the First Methodist Church, York.

Surviving are three daughters, Mrs. Edwin T. Moul, New Brunswick, N. J.; Mrs. Joseph P. MacKay, with whom she made her home, and Mrs. J. H. Newhouse, Culpeper, Va.; two sons, Fred C. Lucas, Dhahran, Saudi Arabia, and Richard W. Lucas, York; five grandchildren; a great-granddaughter, and a sister, Mrs. J. D. Clepsaddle, Gettysburg R. 1.

Funeral services Friday at 11 a.m. in the Strack and Strine Funeral Home, York. The Rev. Edgar A. Henry will officiate. Burial will be in Mt. Rose Cemetery, York. Friends may call at the funeral home this evening.

HAYRIDE ON MONDAY

The October meeting of the Fifth District Youth Council will be held Monday evening in the form of a hayride and Halloween party at the Chestnut Grove Lutheran Church, Gardners, at 7:30 p.m.

UNIVAC Played Cupid In 1st Mating By Automation

By BOB THOMAS
HOLLYWOOD (AP) — The first mating by automation takes place Saturday when Shirley Saunders marries Bob Kardell at the First Presbyterian Church of Hollywood.

The Cupid in this match was not a rosy-cheeked cherub but an electronic brain called UNIVAC. For many months, the tireless "People Are Funny" show has been trying to make a romantic match by means of the machine.

It works this way: A contestant fills out a form detailing what he or she seeks in the ideal mate, plus his or her own qualifications. All this is fed into the hungry maw of UNIVAC, which comes up with the name of another contestant who seems a likely mate.

Love At 1st Bleep
Unfortunately for Art Linkletter, the cold machine could not provide the element that so far has escaped the mechanical marvels: Romance. Most of the chosen couples ended up in a state of indifference. Some openly detested each other.

But not Shirley and Bob With them, it was love at first bleep.

Greets Oldest Committeeman

At the Democratic rally here Wednesday night, Mayor David L. Lawrence (left), candidate for governor, greets Adams County's oldest Democratic committee member, Charles W. Rinehart, New Oxford R. Cattle Rustlers At Work Nearby

The first case of "cattle rustling" in Adams County in a long time occurred last week, state police reported today.

Officer James A. Treas said someone cut four strands of wire in the fence of Paul Barney, Taneytown R. 1, on the night of October 8 and 9 and took one 750-pound Jersey cow out of 19 in the Barney herd.

Police said the animal stolen was probably taken because it had been shown previously and was more docile than the others. In addition the Jersey, valued at \$350, was described as a "beautiful animal."

Edwin Duttera, 86, Littlestown, Dies

R. Edwin Duttera, 86, of W. King St., Littlestown, died on Wednesday evening at 5:05 o'clock in the Warner Hospital where he had been a patient for a little more than a week. He was the son of the late Rufus and Catherine Bittiger Duttera. He was a life-long member of St. Paul's Lutheran Church, Littlestown, and a member of several lodges and other organizations.

His wife, Mary Keefe Grove Duttera, died in July, 1940.

Survivors are one brother, Harry G. Duttera, a guest at the National Lutheran Home for the Aged, Washington, D. C., and several nieces and nephews.

Funeral services Saturday at 2 p.m. in the Little Funeral Home, Littlestown, will be conducted by the Rev. David S. Kammerer. Burial will be in Mt. Carmel Cemetery, Littlestown. Friends may call at the funeral home Friday evening.

LOCAL CLUB TO OBSERVE YOUTH WEEK

Youth Appreciation Week (November 10-16) will be observed in Gettysburg by the local Optimist Club, it was announced by Richard Cline, chairman.

Cline said "it is the club's desire to honor the 96 per cent of our young people who are developing into the citizens of tomorrow. The club wants the public to recognize the accomplishments of the youth in the home, school, church and community."

"Some objectives of this youth appreciation week as given by Optimist International are to encourage organizations and other groups to publicly show their interest and their respect for youth and promote a more active participation by families in family affairs."

To Receive Awards
"The Gettysburg club is seeking three outstanding youths in Adams County and it is asking the help of everyone in the county in choosing the three youths who may be outstanding in any type of activity. GOING TO HARRISBURG

All Cub Scouts, Boy Scouts and Explorers of the St. Francis Xavier Catholic Church sponsored Pack, Troop and Post 78 are to report Sunday at noon at the church on W. High St. to travel to Harrisburg for participation in the "Dedication of Catholic Boy Scouts to Christ the King" services there Sunday afternoon.

Chairmen of the three committees in charge of the units announced today.

LEADERSHIP SCHOOL WILL OPEN MONDAY

The Adams County Leadership Training School will open Monday evening at 7:30 o'clock in the Church of the Brethren, Biglerville Rd. The school will be under the leadership of Deans Luther Lady and Roy R. Starnes and will be held on six consecutive Monday evenings. Each session will last two hours.

The devotional period the first night will be conducted by the Rev. Herbert Brownlee, president of the board, and pastor of the First Baptist Church of Gettysburg. Teachers will meet for supper the opening night at the host church, at which time final assignments will be made for classrooms. The registration fee is \$1.50 per student. Anyone in the county or its environs is invited to attend.

Offer Five Courses

The courses to be offered include:

"Teaching Nursery Children," by Miss L. Anna Schwenk, Carlisle.

"Teaching Primary Children," by Mrs. Joseph Seitz, Red Lion.

"Teaching Youth," by Rev. Edwin Elliott, Gettysburg.

"Sunday School Lessons on the Life of Christ," by Rev. D. Harold Dunkelberger, Gettysburg.

"Ways of Teaching," with the following each teaching one night: Rev. Robert D. Myers, Fairfield; Rev. Norman Marden, Bendersville; Rev. Lester Karschner, Abbotstown; Claude O. Meckley, Hanover; Rev. Laverne Rohrbaugh, Biglerville; Rev. Arbe Dorsey, Heidlersburg.

The theme of the school is "Come To Learn, Go Forth To Serve."

On the closing night of the school there will be a final round-up and coffee time.

98 BIRTHS LAST MONTH

Ninety-eight births and 23 deaths occurred in the Gettysburg area during September, the registrar of vital statistics reported today.

The 98 births bring to 835 the number of children born in Gettysburg and Cumberland, Straban, Freedom and Highland Twp. during the first nine months of this year. The number compares to 860 births during the comparable period a year ago.

There were 167 deaths during the first three-fourths of this year compared to 193 in the same period in 1957.

All of the September births occurred in Gettysburg, 54 males and 44 females.

There were nine male and four female deaths in Gettysburg; two male and six female deaths in Cumberland Twp., one male death in Straban, and one male death in Highland Twp. Freedom Twp. reported neither births nor deaths during the month.

The 98 births and 23 deaths last month compare to 94 births and 23 deaths in September, 1957.

ENTRIES FOR SPOOK PARADE DUE TUESDAY

Entries for the Halloween parade October 29 are "coming in" well, the Gettysburg Association of Clubs announced today, but spokesmen urged those planning to enter larger units to notify the committee by next Tuesday evening so the line of procession can be drawn up at that time.

The committee in charge will meet at the Moose lodge Tuesday evening at 8:30 o'clock to complete the plans for the annual procession and it is hoped to have the list of all major entries by that time so the order of the parade can be drawn up, mimeographed and sent to the participating organizations so that when they report for the parade they may be able to locate their division and location without difficulty.

\$917.50 In Prizes
The parade will include "a large number of marching units," as well as bands, drum corps, floats and costumed individuals, Russell Kane, general chairman for the parade, said.

Notification is asked from larger units taking part in the parade. Costumed individuals do not have to register in advance because they can be fitted into any section of the parade.

Several organizations planning to enter floats have asked how high a float may be. The committee has set 14 feet as the limit.

Awards to be given in the parade total \$917.50 including 50 silver dollars that will be presented to as many individuals or groups selected for special awards. \$225 will be awarded drum corps, \$250 will go to bands and the rest to marching units, floats, and costumed individuals.

4-DAY TRIAL ENDS TODAY IN CONVICTION

Wasyly Dynka, 30, of New York City, was found guilty by an Adams County jury this morning of a morals charge involving a 14-year-old local girl. Both Dynka and the young woman are Ukrainian.

The jury hearing the case, which began Monday morning, retired to consider its verdict at 10:20 this morning and returned an hour later with its verdict.

Dynka's bail was revoked and he was placed in custody of the sheriff for sentencing Saturday.

Two Suits Settled
Settlement of two more of the civil suits scheduled for the current term was announced by the court today. One is an action in trespass brought by George D. Geiselman, Hanover R. 4, against Jewel Tea Co., Inc., of Illinois and Harrisburg and Charles R. Moore Jr., Harrisburg. The case stems from an accident June 23, 1953, near Brushstown, when a Jewel tea truck driven by Moore struck a farm tractor driven by Geiselman.

The other settlement is of the action in assumpsit brought by White Rose Motors, Inc., York, against Eugene L. and Charlotte E. Chronister, Dillsburg R. 2. The suit resulted from the purchase by the Chronisters of a 1958 Cadillac from White Rose Motors on January 6, 1958, for \$6,319.45. The day after the car was delivered to the Chronisters they returned it, alleging it did operate properly, and stopped their check.

U.S. Presents New Rocket To Carry Man Into Space; Speed Greater Than Bullet

By VERN HAUGLAND AP Aviation Writer
LOS ANGELES (AP) — The Air Force, the Navy and the new civilian space agency have proudly trundled the forerunner of tomorrow's space vehicle out into public view.

Vice President Nixon called the new rocket-powered X15 a "major step in man's greatest adventure in exploration beyond our world—the first and logical step in space exploration."

"With the X15 following the magnificent achievement of the Pioneer (moon-rocket satellite), Americans can proudly say that the United States has recaptured the lead that we have moved into first place in the race to outer space," Nixon said Wednesday at rollout ceremony for new space probe.

Chest Campaign Total Is \$15,322

With less than half the pledge cards in, the Gettysburg Community Chest has \$7.1 per cent of its \$26,800 goal, campaign headquarters in the Red Cross office reported at noon today. A total of \$15,322.82 has been turned in so far from 47.9 per cent of the town's residents.

Today's total was reached when 114 donations or pledges totaling \$1,026.50 were turned in overnight.

Chairman William A. Lentz said more than 1,600 persons are yet to be heard from in the canvass that opened October 6. Solicitors are urged to complete their territories as rapidly as possible. Some canvassers have reported they have been unable to contact all of their prospects while other town residents say they have not yet been called upon.

SENIOR GIRL SCOUTS WILL AID HOSPITAL

Adams County's Senior Girl Scouts will have an opportunity to serve as aides at the Warner Hospital, Mrs. M. Hardy Nichols, county Girl Scout Council assistant, announced today.

Arrangements for the older senior Girl Scouts to serve at the hospital were completed Wednesday at a conference at the hospital between Mrs. Nichols; Mrs. Pauline Mowery, superintendent of nurses, and Mrs. Harold Delp, assistant superintendent of nurses, at which the plans, under discussion by scout and hospital authorities for some time, were finalized.

The program of hospital aides will be open to Senior Girl Scouts aged 15 or over who have completed the five-point program of the first year of Senior Scouting.

Will Receive Award
For the program those Scouts volunteering will be given an orientation course, then will serve as aides for at least 30 hours. Their duties as aides will include the sorting of linens, feeding of patients, carrying trays, reading to child patients, writing for those patients who are unable to do so, arranging flowers, taking care of chart supplies and similar duties.

The Scouts will wear their Girl Scout uniforms while on duty at the hospital, and will receive an award for their work.

Leaders of Senior Girl Scout units are asked to notify Mrs. Nichols of the plans of their Scouts to take part and obtain additional information. When sufficient Senior Scouts have been recruited for the service program, a series of orientation courses will be held at the hospital on two Saturday afternoons to instruct the scouts on their duties at the hospital. Then the scouts will begin their volunteer service.

Long Trial Brings Cushions For Jury

The "long sit" by the jurors hearing the trial of Wasyly Dynka, New York City Ukrainian, in Adams County court Monday, Tuesday, Wednesday and Thursday morning, has led to greater comfort for future jurors.

Judge W. C. Sheely, noticing the tortured squirming of the jurors as the case dragged on into its third day, decided that perhaps jurors — since they can do nothing but sit — should have more comfortable seats.

He contacted the commissioners and they agreed.

As a result Wednesday afternoon 12 new foam rubber cushions were placed on the 12 jurors' chairs in the jury box.

Baptist Church To Mark Anniversary

A Sunday School which started in a home six years ago, with a few pupils, has grown into a church. At the service on Sunday, October 19, recognition will be made of the sixth anniversary of Grace Baptist Church, Rev. Herbert Brownlee pastor. Rev. Joseph Faith, of Lancaster, will speak at the 2:30 p.m. service.

The schedule will include Sunday School at 10:30 a.m., dinner on the grounds at noon, and the afternoon service. There has been considerable work done to the interior of the building in recent weeks, including painting and re-decorating, the installation of new drapes and Venetian blinds. The public is invited to attend the service.

PRESENT TV PROGRAM

The last of five television programs promoting Adams County apples was presented Wednesday noon over WGAL, Lancaster.

Mrs. William Lott and Mrs. Thomas Pyle were in charge. The programs were sponsored by the Adams County Fruitgrowers Association.

CRASH CLAIM IS SETTLED

Judgment in the amount of \$12,900 has been confessed in circuit court in favor of an Emmitsburg district couple and their four children as the result of an automobile accident in which all were injured.

The judgment is in favor of Mr. and Mrs. Calvin E. Maddox and Terry Lee, John Edwin, Robert and Douglas Maddox, all of Emmitsburg R. 1. It is against Brian F. Courtney, Livingston, N. J.

The plaintiffs, through their attorney, Edward D. Storm, said they were occupants of an automobile operated by Calvin Maddox which was proceeding south on U.S. 15 a mile south of Emmitsburg December 16, 1956, when it was struck by a car operated by Courtney. It is claimed the defendant passed a truck when the way ahead was not clear.

Mr. and Mrs. Maddox say they each sustained severe shock, contusions and lacerations. Terry Maddox had shock and a fractured skull, John Maddox a fractured skull and teeth damage. Robert Maddox contused lips and abrasions and Douglas Maddox general cuts and abrasions.

The husband said he was put to great expense for doctors, nurses, hospitals, medicine, etc., and was deprived of the services of his wife and children, as well as sustaining damage to the car. Charles McC. Mathias confessed judgment as attorney for Courtney.

his work as a commissioner and it was announced that he is transferring from commissioner work to the scoutmaster position of Troop 79.

Scout Field Executive Stanley C. Rogers outlined the work of the seven operating committees of the district and the functions of the commissioners in relationship to those committees.

The commissioners were asked to contact the troops under their supervision to send Boy Scout boys leaders and prospective leaders to a training session to be held this weekend at Camp Tuckahoe.

More Training Plans

Rogers urged all Scout leaders to attend the "Dedication to Christ the King" for Catholic Boy Scouts Sunday at Harrisburg.

The first Cub Scout Round Table will be held at Gettysburg High School October 23, Rogers announced, adding that the program is for all adults interested in or connected with Cub Scouting.

A six-hour training session for Explorer advisors, associate advisors and committee members will be held October 26 at Camp Cone-wago, Rogers announced. The program will be the same instructional session held previously at Camp Tuckahoe and will be open to all those who were unable to attend that course, or who wish a refresher course.

Thieves Burglarize Service Station

Thieves broke into the Floyd Miller service station on Buford Ave. Wednesday evening sometime after 9 o'clock and looted the cash register of an undetermined number of dimes, nickels and pennies. They also attempted to loot the pinball machine but were unsuccessful, borough police said today.

Miller, who reported the burglary to police at 7:30 o'clock this morning when he opened the station, said entrance was gained by breaking a rear window and breaking a panel in a door leading to the front office. Police believe it was a thin person who committed the theft because of the small opening in the door.

Olinger Talks On Life Of Sculptor

George Olinger, S. Washington St., spoke on the life of American sculptor, Augustus St. Gaudens, who died in 1907, and who designed a number of coins, at the meeting of the Gettysburg Numismatic Society Tuesday evening at the court house.

D-S POST ELECTS

James W. Mauston was elected commander of the Dorsey-Stanton Post 986 of the American Legion at a regular meeting Wednesday. The other officers named included: Adjutant, Dionese Roman; finance officer, Thaddeus Polk; chaplain, Kenneth Brumback; sergeant at arms, Walter Allen; service officer, Eugene Timbers; and trustee for three years, Walter Allen.

NEW YORK (AP)—A telephone bomb warning sent police and firemen to famed St. Patrick's Cathedral in the heart of Manhattan today.

Bomb squad detectives immediately began a search of the big structure, a city landmark on Fifth Avenue opposite Rockefeller Center.

The marriage of Miss Janice Annette Stambaugh, daughter of Mr. and Mrs. Harry Stambaugh, Abbottstown, and Harvey Allen Myers III, son of Mr. and Mrs. Harvey A. Myers Jr., Dover R. 2, was solemnized Saturday afternoon in St. John's Lutheran Church, Abbottstown. The double ceremony was performed by the Rev. Dr. Jacob Myers, uncle of the bridegroom.

Mrs. Reginald L. Zepp, Taneytown R. 2, sister of the bride, was soloist, and Mrs. Billy Smith was organist. The church altar was decorated with white gladioli and white pompons.

Given in marriage by her father, the bride wore a waltz length gown of Chantilly lace and nylon tulle with a sabrina neckline and long sleeves. Her fingertip veil of silk illusion was attached to a crown trimmed with sequins and pearls. She carried a white Bible topped with an orchid and white streamers.

Mrs. John H. Myers, Dover R. 2, sister-in-law of the bridegroom, was matron of honor. Bridesmaids were Mrs. William H. Wentz, Hanover, sister of the bride, and Miss Carolyn D. Remmel, Elizabethtown. Miss Grace E. Zepp, Taneytown, niece of the bride, was flower girl.

John H. Myers, Dover R. 2, served his brother as best man. Ushers were William H. Wentz, Hanover, brother-in-law of the bride, and William Shermeyer, Kenneth Wentz, Hanover, nephew of the bride, was ringbearer.

The couple will reside at their newly-built home, Dover R. 2. The bride is a graduate of New Oxford High School with the class of 1958. The bridegroom is a 1956 graduate of Dover High School and is employed by the Fox-Bee Co., York.

Three Ministers, Two Women Killed

CAMBRIDGE, Ohio, (AP)—A head-on crash on U.S. 40 killed five persons Wednesday—three Evangelical United Brethren ministers and two women from Auglaize County, Ohio.

The ministers were identified as: The Rev. Lorin Stine, about 60, of Dayton; the Rev. Edward Hammond, about 60, of Middletown; and the Rev. John W. Bench, 47, of Germantown.

Authorities said the women were Mrs. Nannie Pence, age unknown of Waynesville, and Mrs. Robert Shaner, age also unknown, of New Hampshire, Ohio.

Navy Chemist, 45, Is Found Dead

WASHINGTON (AP)—Richard A. Baus, a 45-year-old Navy research laboratory chemist, was found dead in his apartment Wednesday near a bottle of deadly sodium cyanide.

Police said the bachelor scientist left notes to his mother, two sisters and his superior at the laboratory. A death certificate was withheld pending further tests.

SIGNAL STOVE MISSING FROM VATICAN CITY

VATICAN CITY (AP)—The stove is gone. And a mighty important stove it is, too.

Workmen looked everywhere, in the Vatican warehouses and outside. But they could not find it.

This stove is used to signal the outcome of votes at papal conclaves in the Sistine Chapel. And the meeting to elect a new Pope is just 10 days off.

It was a stove that had been used as long as anyone can remember for the burning of ballots. Smoke escaped through its chimney thrust through a window.

Watch For Smoke

If the cardinals failed to agree on a new Pope, a little wet straw was mixed with the ballots. That produced a gray smoke. People watching from St. Peter's Square knew the cardinals had failed to elect a pontiff.

If two-thirds of the cardinals present plus one voted for a Pope, then the ballots were burned without straw. The result was white smoke. To the crowds in the square, that meant a new Pope had been elected.

Now today there is no stove, and no one has an idea what happened to it.

The stove was used only during conclaves. In between it was taken from the Sistine Chapel and returned to a warehouse. It was last used in 1939 and presumably had been stored away after that conclave had elected Pope Pius XII. Possibly it was just misplaced.

CAROL FRANTZ WINS CONTEST

Miss Carol Lee Frantz, 15, daughter of the Rev. and Mrs. Nevin R. Frantz, Arendtsville, was the winner Wednesday afternoon in the annual apple dessert contest held at Biglerville High School.

The Tenth grade student won the top honor in the event by exhibiting a caramel crumb apple pie that she had made. She will represent the school in the county apple dessert contest to be held October 22 at Littlestown High School.

Second place went to Nellie Irvin, 18, daughter of Mrs. Lottie Irvin, Biglerville, who entered an apple meringue pie. Miss Frantz is an academic student at the school. Miss Irvin, a senior, is a vocational home economics student.

Runners-up in the event were Miss Barbara Lee Seburn, a 12th grade student; Jeanne Jacoby, Goldie Lupp and Mary Hartman, Ninth graders, and Cynthia Tuckey, Eighth grader.

Arrangements for the contest were made by Mrs. Mary Diehl, the home economics teacher at the school. The judges were Mrs. Ward Houck, Mrs. Donald Shetter and Mrs. Vincent Hawbecker, all of Biglerville.

LANDING IS AUTOMATIC

LONDON (AP)—British aviation scientists today announced a new automatic landing system which can bring a plane down safely on the runway through thick fog while the pilot sits back with folded arms.

Landing systems now in use guide aircraft down a radio beam to about 150 feet but the pilot has to control the touchdown after sighting the ground.

The new system, developed by scientists of the government supply ministry, utilizes magnetic fields induced by two cables along each side of the runway. These hold the aircraft to the runway center line.

An instrument known as a radio altimeter provides accurate measurement of height down to zero and automatically adjusts the rate of descent.

An automatic speed control keeps speed constant during approach and shifts throttles to a safe idling speed as the plane levels out to land.

Mother, 3 Kiddies Killed In Crash

WAUKESHA, Wis. (AP)—A Milwaukee mother and her three children were killed Wednesday night in a collision near here.

The victims were Mrs. Althia Wagner, 25, and her children, Keith, 6; Kevin, 3, and Karlene, 3 months.

Mrs. Wagner's husband, Leonard, 30, was reported in fair condition at a hospital as was Lloyd Schank, 20, of Germantown, the other driver.

These are Daniel Hoffman, 63 years; J. B. Bushey, 58 years, and Luther Lady and Mrs. Vida Rice, 51 years each. They spoke briefly on the highlights of their service.

SIX DEAD IN GLOBEMASTER CRASH ON ICE

AUCKLAND, New Zealand (AP)

An Antarctic rescue party battled across 30 miles of rugged icefields in a blinding blizzard today toward a crashed U.S. Air Force plane.

Six of the 13 crewmen were reported to have died in the crash, and two of the seven survivors were believed injured, one critically.

The big four-engine C124 Globemaster crashed this morning near the joint U.S.-New Zealand station at Cape Hallett in the Antarctic.

A rescue party set out from the station, and aircraft from the main U.S. base 400 miles to the south at McMurdo Sound were trying to reach the scene. The bad weather prevented spotting the wreckage from the air. Weak radio signals from the survivors were believed sent on emergency equipment salvaged from the wreck.

The crash was reported by Air Force officials at Christchurch, the New Zealand base for operation Deep Freeze. The Globemaster left Christchurch Wednesday night to parachute supplies to bases in Antarctica.

DEATHS

Mrs. John Belt

Mrs. Effie Elizabeth Belt, 88, died at the Meadowview Convalescent Home, Unionville, Monday evening. She was a widow of John Belt and had formerly resided at 173 W. Main St., Westminster.

She was the daughter of the late Charles M. and Elizabeth Bushey Hess. A member of Grace Lutheran Church, Westminster, she was for many years active in church and Sunday School work. She taught school in Carroll County for a number of years.

LANCASTER LIVESTOCK

LANCASTER, Pa. (AP)—Cattle 550, medium and good stock steers 24.50-26.50, good feeder steers 25.50. Calves 0, no market. Hogs 100, barrows and gilts 21.00-50. Sheep 0, no sales.

NEW YORK (AP)—The stock market declined early this afternoon and an upward move by copper and steel fizzled.

It was the market's third straight day of reaction from historic highs.

Trading was heavy in the first hour with the ticker tape late for periods of six and eight minutes. Turnover moderated but still remained active as prices declined.

The action followed a Federal Reserve Board boost in margin requirements for stock purchases to 90 percent from 70 percent—a move to restrict credit which Wall Street has been speculating about for some weeks.

"SCHOOL OF LIFE"

We live to learn in life's great school . . . hard lessons we must master . . . but somehow as we plod along . . . the pace always gets faster . . . we make the grade only to find . . . another hill before us . . . and though we're trying to excel . . . we end up in a chorus . . . the school of life is tough at best . . . each student must be steady . . . no matter what may come along . . . the pupils must be ready . . . promotion come if tests are passed . . . but often when we make it . . . we find to our amazement that . . . we cannot really take it . . . and so it goes until the day . . . we graduate from college . . . our lifetime ends and then we find . . . we cannot use the knowledge.

INDUCT NEW AMVET STAFF

message of this reconciliation (Weymouth)."

The local minister concluded his sermon covering the three concepts of (1) God in Christ, which he labels the "most stupendous statement in the Bible," (2) Reconciling the world into God through Christ, whose death on the cross presents the believer "holy, and blameless, and irreproachable in His sight," and (3) Committing unto us the responsibility of telling this message to others. "The Church of Christ has a monopoly on the message of grace. And we are going to be busy . . ." Rev. Mr. Brownlee asserted, pointing out that "every minute of the day 90 are added to the world's population, that much of the world's literature is printed on Communist presses, that there are 1,200,000,000 waiting to hear the message of reconciliation that has been entrusted to us.

of the Beta Sigma Phi sorority, held on Tuesday evening at the home of Mrs. Dale W. Stary, E. King St. Ext'd., with Miss Carolyn Graft as hostess. Mrs. Molner stood as the subject of her talk "Prose," and she told how a story is constructed and about the various parts. She closed with the reading of Maupassant's "The Necklace." Mrs. Charles W. Simons, president, presided and gave the treasurer's report. Mrs. Albert J. Bair, secretary, gave her report. It was announced that the date for the guest night observance in Gettysburg has been changed from Oct. 28 to Nov. 3. Each member is requested to provide transportation for her invited guest. The program theme will be "An Introduction to Beta Sigma Phi," with a skit and quiz to follow. Plans were made for the members and their husbands or other guests to enjoy dinner at the Peter Pan Inn, near Frederick, on Sunday, Nov. 23. Refreshments were served by Miss Graft. The chapter will meet again on Tuesday, Oct. 28, and details concerning the meeting will be announced later.

CUMBERLAND COUNTY

The Valley Trolley Veterans Association will have their annual meeting Saturday in the Valley Transportation building in Lemoine. The group numbers about 150 members who were formerly operators of the trolley system which connected Carlisle and other Cumberland County communities with Harrisburg.

FRANKLIN COUNTY

Waynesboro police have recovered the second of two Lions Club gum vending machines which were stolen earlier this week.

One was found Tuesday in the mountains near Fort Ritchie while the second was found later in the Iron Bridges area.

Both were smashed beyond repair by the thieves who removed both chewing gum and the money.

A 17-year-old youth, who stole a 1958 Cadillac from the parking lot of the Garden State Raceway in New Jersey on Monday, was taken into custody in Path Valley Monday by state police.

At the time of his arrest, police said the youth was seated in the \$6,000 car of Gilbert Blom, Haddonfield, N. J., parked along the berm of the Path Valley Highway. The car was undamaged but its fuel tank was empty. Dennis Alexander, of Medford, N. J., admitted the theft and was turned over to the custody of the FBI.

YORK COUNTY

About 2,000 York County school teachers began the first sessions of their two-day institute today at the York Suburban High School.

James M. Quigley, Democrat, and S. Walter Stauffer, Republican, both seeking the 19th District congressional seat, have agreed to participate in separate non-partisan discussions to be conducted by the governmental affairs department of the York Chamber of Commerce.

Eugene Lease, 16, Spring Grove R. 1, was reported by state police to have been wounded in both legs by gunshot Tuesday night as he and two other boys fled after allegedly engaging in malicious pranks at a neighborhood home. Charles Ehrman, 18, was reported by police to have fired the wounding shot. Ehrman lives in one of the Nashville homes where a gang of four youths were reported to have caused some damage.

Automatic limiting of telephone conversations between the York and Spring Grove exchanges of the York Telephone and Telegraph Co. will be discontinued Monday in keeping with a schedule for eliminating the "time cut-off" device entirely throughout the system by March 15. The device automatically terminates the connection between calls in several areas served by the company.

A York County common pleas court jury awarded damages of \$17,774 to Mr. and Mrs. Charles G. Krout whose home at Pleasureville was destroyed by an explosion and fire last January 25. The verdict was against York County Gas Co.

land, O., outlined the theme of the workshop session and presented literature to the various departments.

Following the joint session the group divided into six workshops headed by the various region chairmen: Christian Stewardship, Mrs. Nevin Krumrine, Westminster; Spiritual Life, Mrs. Pearl Gentz, Hanover; Christian Education, Miss Sara Stauffer, Codorus; Missionary Education, Miss Mary Duttera, Gettysburg R. 4; Christian Social Action, Mrs. Leon Roos, East Berlin; Christian Service, Mrs. Louise Hoffman.

The sessions concluded with a

joint service Wednesday afternoon at which Mrs. Hoffman, as Christian Service chairman, dedicated articles presented for a layette project being carried out for Church World Service, and Mrs. Schroer gave concluding remarks on the workshop's theme.

Members of the staff of the fall workshop in addition to the president and departmental chairmen were Mrs. Nevin Frantz, Arendtsville, the vice president of the region; Mrs. A. Ross Hostetter, Hanover, secretary, and Mrs. Irvin B. Mummert, East Berlin R. 3, treasurer.

The offering during the program was under the direction of Mrs. John Martin, New Oxford.

Bomb Bursts Near Religious Meeting

BOSTON (AP) — A homemade bomb exploded near a meeting place of the Jehovah's Witnesses religious sect Wednesday night.

The meeting of the group at the home of Mrs. Agnes Haroutunian, about 45, had adjourned about an hour before the explosion.

No one was injured, but the blast blew out about 30 windows in nearby tenements and shot pieces of the bomb into walls of several buildings.

Police refused to comment on the possibility the explosion was in any way connected with the recent bombings of synagogues in Peoria, Ill., and Atlanta, Ga.

Soroptimist Club To Be Formed
By Local Women: At a dinner meeting Monday evening in the Hotel Gettysburg the first steps were taken toward the organization of a Soroptimist club among professional and executive business women in Gettysburg as a unit of the American Federation of Soroptimist Clubs and the Soroptimist International Association.

Eighteen local business and professional women attended the meeting at which guests from Harrisburg and leaders in Soroptimist organization work in this section were present.

The first Soroptimist club was organized in Oakland, California, in 1921 and the movement spread rapidly. The organization takes its name from a combination of the two Latin words, "soror" and "optimum" meaning "sister" and "best" and the fused word is translated as best for women.

Speakers Monday evening included Miss Vera Grannis, Bryn Mawr, extension chairman for eastern Pennsylvania, who presided over the meeting; Ann Schorr Smith, Philadelphia; Sophie McIntyre, Norristown, regional director, and Martha Serva, executive secretary of the American Federation of Soroptimist Clubs.

Motor Policeman, 36, Dies After
Hemorrhage From Hits 3 Cars;
2nd Officer Critical: A state motor policeman from the Gettysburg substation was killed and another critically injured when they were run down by an automobile on the Lincoln highway four miles east of here shortly before midnight Saturday while they issued warnings to speeders on the side of the road on a regular midnight patrol.

Fatally injured was Officer Joseph M. Williams, 36, South Uniontown, who came here three months ago from training school. Officer Charles W. Craven, 32, who came here from Shamokin a month ago with a record of eight years of police service to the state, lies in the Warner Hospital in a dangerous condition. (He died three days after the accident.)

548 Police Directed 2,000,000
Visitors At 75th Anniversary:
Pennsylvania's motor policemen directed more than 2,000,000 visitors at the 75th anniversary observance at Gettysburg this summer — without a single traffic accident, they reported today.

Police estimated more than a half-million automobiles were drawn here during the 10-day reunion of veteran soldiers of the Blue and the Gray.

The final report of Major E. J. Henry, Harrisburg, commanding officer at the gate, showed 548 men and officers were detailed to the reunion.

8-Week School For Leaders Of
Scouts Planned: Thirty Gettysburg scouts met Wednesday evening in the arbitration room in the court house and advanced preparations for a patrol leaders' school, a fall camporee for Gettysburg scouts and the first court of honor of the fall season as well as other scouting activities that were discussed. District President Lloyd C. Keefeauver presided.

Dean W. E. Tilberg, York-Adams area president, announced arrangements for a school for patrol leaders to be conducted on eight consecutive Tuesdays in the quarters of Troop 79 in St. James Lutheran church.

Today's Talk

ON GIVING UP

Few of us there are who have not experienced the sad event of having to give up something precious out of our lives. That well-known phrase, "It is more blessed to give than to receive," we are only too well acquainted with. It is true, however, that many of our treasures are difficult to give up, but if we can present these things to an institution, or where they will add to the happiness of other, thousands will duplicate our own enjoyment and mental growth.

I have visited great institutions where treasures are legion, and I am reminded that in all such places is given a story of long civilizations, works of art done centuries ago and memorials that have inspired thousands. I take away from such galleries as The National Gallery of Art at Washington, D. C., and the Museums at New York, Cleveland, Minneapolis, Boston, Worcester, and many others, memories that will never leave me for so long as I live.

Generous givers have enriched all these great institutions and they are a blessing to mankind. I hope to see an absence of all instruments of war, however. With Galsworthy I would say, "Grant me one prayer: Doom not the hereafter of mankind to war... make my last breath a bugle call, carrying peace o'er the valleys and cold hills for ever!"

We could give up all war — and what a day that will be! Nothing has so crushed the human heart as has war. What a world this one of ours could be — without all war! There is glory enough to life in peace, without the tears of millions of mothers and the loss of so much genius in the world.

Tomorrow Mr. Adams will talk on the subject: "Share It!"

Just Folks

A FRIEND DISCUSSES VANITY

If I were inclined to be vain

To think myself perfect and fine,

If I were inclined to maintain

That all of the virtues are mine,

My partner of sorrows and joys

Would speedily puncture the sham;

When I stay out too late with the boys,

She can tell me how little I am.

When I'm tempted to show a few airs,

I think of the things that she's said

To me from the top of the stairs

When I thought I could sneak into bed.

When I promised to get home at ten,

And do not arrive until three,

In language that's crisp, I got then

The positive truth about me.

When I've muttered: "I couldn't get home,"

Or whispered: "The last bus I missed,"

No swelling remains in my dome;

No doubts of my standing exist.

I lose the high notions I hold

And come down to earth with a slam;

And I learn, for in sorrow I'm told,

Just the kind of a fellow I am.

Wolf, Gifford To Be Warner

Surgeons; Dr. Dickson Is Ill:

During the absence of Dr. J. McCrea Dickson, who is confined to his residence on West Broadway by illness, the combined staff of the Annie M. Warner hospital has elected Dr. Bruce N. Wolff and Dr. Roy W. Gifford as surgeons for the institution.

At the same time the staff elected r. C. G. Crist as "acting chief of staff," to serve during the absence of Doctor Dickson.

Since the Warner hospital was established Doctor Dickson has been its chief surgeon and chief of the various staffs provided for in the bylaws.

Doctor Wolff joined Doctor Dickson with the rank of associate surgeon in 1933 and since then has been devoting his entire time to surgery at the institution.

Doctor Gifford has been associated with Doctor Wolff in surgery in recent months. He has met with unusual success since he came to Gettysburg and succeeded to the practice of the late Dr. Maurice Weaver.

NEW YORK (AP) — The filigree elegance of Louis XIV decor has been lavishly restored to Broadway in major renovation of the Helen Hayes Theater.

Getting away from the trend to modern functional design, the owners have installed a mirror-paneled lobby, marble stairways and crystal chandeliers.

The management said public response to a rococo interior installed last season in the Lunt-Fontanne Theater led to creating another sumptuous decor.

U.S. Foreign Policy Is Unpopular In Africa, Middle East; Resent Needing, Getting Aid

In the first three articles of this four-part series, the effect of propaganda, personal experience with Americans, and native customs on the world's image of America was described. There are two other mirrors distorting the world's picture of the United States, and they involve the basic human emotions of selfishness and pride.

By SAUL PETT

AP Newsfeatures Writer

There is the mirror of self-interest, national and personal.

In Paris, Pierre Lengelle, highway inspector, complains:

"Americans call us 'colonialists.' This reminds me of an Algerian proverb: 'Beat your wife every morning. If you don't know the reason why, she does.'"

"We know why the Communists are against us but the Americans, they should never have been against us in Algeria. Now maybe they will realize this after what happened in the Middle East."

In Algiers, a young waiter whose brother was killed fighting with a mountain group of Algerian rebels discussed America. He withheld his name.

"Americans as people are friendly, pleasant and generous. But their government is a different thing. One day they support our cause (the rebellion) and the next day they support our enemies."

Cite Lack Of Aid

"We are like a man who is drowning. From time to time, the United States throws us a rope and we grab it. And then the United States cuts the rope."

In Caracas, where left-wing students attacked the vice president of the United States with stones and spit, Venezuelans complain about U. S. restrictions on oil imports from their country.

They complain, also, that the United States sends billions in aid to Europe and Asia but little to its neighbors in Latin America.

In Peru, where Nixon also was attacked, they complain about U. S. tariffs affecting Peruvian metals, about the U. S. surplus cotton taking the market away from Peruvian cotton in South America. In Japan, they complain about American tariffs on flatware, umbrella frames and other Japanese goods.

Dislike U. S. Policy

In Cairo, Mahmoud Mohamed Ahmed earns \$30 a month as a cook. He, his wife and four children live in a tiny, two-room house sparsely furnished. He is a man with little hate. He thinks kindly of Americans as people. He thinks ill of American policy and, of course, the landing in Lebanon.

"Everyone here says American policy is imperialistic. I agree. If America wants to fight communism, she should not try to impose her will on small nations in that fight. We, too, are against communism because our Moslem religion is against it."

In India, for the intellectuals in the cities to the unoppressed farmers in the villages, most Indians ask only two questions about U. S. foreign policy: Does America side with Pakistan or India in the Kashmir dispute, with Portugal or India on the question of Goa?

Want More Land

Rani Piya's water buffalo and cattle graze on the wild lawns of the marble Moghul Palace in New Delhi. He has very original views of U. S. foreign policy.

"America wants more and more land. Even to park all their cars, they want one big country. And to bury their dead—8 feet by 3 feet—they want new space in other countries."

From that premise Ram proceeds to this conclusion: America one day plans to conquer India through Pakistan.

In Pakistan, they like us. They find us frank and straightforward and not nearly as class conscious or imperialistic as the British.

Earns 30 Cents A Day

In Jakarta, Indonesia, a man named Achmad Soeroto drives a betjak, a three-wheeled bicycle rickshaw. He is 22, a leathery, muscular figure in ragged shorts, tattered straw hat, bare feet. He earns about 30 cents a day and pays a third of it for rent of the bike. If his fate is the same as that of most betjak boys, infection, disease or fatigue will probably kill him by the time he is 35. He votes Communist.

Achmad can't read and admits he doesn't know much about America except what he has been told and what he has seen in the movies. In the movies, he sees "every American with a big car and a house with a bathtub and toilet and other nice things."

And what has he been told?

What Thing Is America?

Said Achmad Soeroto, Indonesian rickshaw driver: "At home, Americans beat Negroes... I am dark, too."

"Want To Rule World"

"At home, Americans beat Negroes... I am dark, too... The American government is no good. They want to rule the world and Indonesia, too."

There is the mirror of pride, national and personal.

"Americans living here stay off to themselves; they don't even bother to learn our language," said a man in France.

In Lima, Peru, a bank clerk says:

"Americans don't really know or bother to find out much about the world outside their borders. For example, many Peruvians know that the Mississippi is the largest river in the states. How many Americans know that the Amazon is the largest in the world and starts in Peru?"

In Mexico City, a doctor recalls that at a recent medical con-

vention he met an American doctor who praised his surgical technique. The American went on to say he never realized Mexico had such medical talent.

"Image Of America"

"Why the condescension?" asks the Mexican doctor. "Could he not have just said that as a colleague he considered the operation well done?"

Thus is formed the image of America, drawn from many mirrors. Fact and fiction, pride and prejudice, ignorance and propaganda, poverty and envy and all the innumerable measures by which one fallible human being evaluates another fallible human being.

Friends? We have many. In England, in France, in Italy, in Austria, Australia, the Philippines, Pakistan, Formosa. In any contest, most of them appear ready to take their image of America over their image of Russia.

But even among our friends, there seem to be more who need us than like us, more who see us for misdeeds than good deeds, more who accept our aid and quietly resent needing and getting it.

Among the Frenchmen interviewed at random for this survey, all of them criticized America. None happened to recall that this was just 40 years ago that Pershing returned Lafayette's compliment and just 14 years ago that the American 1st Army liberated Paris.

And in this image of America, an American might wonder, along with the rich man talking to a needy nephew:

"Why are you mad at me? I haven't done anything for you lately?"

Fire Police Chief Paul Keepers reported on the organization of a training class for fire police.

Chief Reports

Chief Hollinger reported on activities carried on during Fire Prevention Week, October 5-11, stating that fire drills were held at schools and posters and pamphlets were distributed.

The Boy Scouts were given a vote of thanks for their help in handing out pamphlets and presenting a fire prevention skit at local organizational meetings.

A moment of silent prayer was observed for Edwin Chrismer, the last honorary member of the company. He had served for many years as an active fireman.

Discussion was held at a directors meeting on the need and use of a three-section ladder, capable of reaching some of the higher buildings in the Emmitsburg area.

A standard first aid course is being organized by Eugene Krammer under Civil Defense in Frederick County.

The initial flight tentatively has been scheduled for early February, test pilot Scott Crossfield told reporters. However, Crossfield may make the first flight in January or, with exceptional luck, in December.

For its space probing, the X15 will be carried aloft under a B52 jet bomber and launched over the Wendover, Utah, area.

In full-scale flights its rocket engine will burn for 90 seconds, hurling the craft into a ballistic flight path. Empty of fuel, X15 will arc 460 miles to Edwards and a deadstick landing on steel skids it uses in place of wheels.

"It's a good, simple plan, easy to fly, and I'm looking forward to trying it out," Crossfield said.

Not only will the cards be sent to the homes more frequently than in the past, and at shorter intervals, but the name of the teacher will be found opposite each subject. The "habits and attitudes" section has been simplified.

These innovations have been made throughout Carroll County as a result of a professional study of report cards conducted by the high school principals during the past year.

SPORTS

GHS Hosts Middletown Friday; Bigler At Home; Bolts, Squires Travel

Gettysburg and Biglerville High Schools are the only area scholastic football games in action Friday evening at 8 o'clock, both playing highly-regarded opponents. Ben Jones Warriors (1-2-1) will go after their second straight South Penn Conference victory here against Middletown (1-3-1) while Biglerville (0-3-1) entertains undefeated Juniata Joint (4-0).

Littletown (4-1) will seek to extend its winning skein to five and boost its Laurel League lead at Kennard-Dale (1-3) Saturday afternoon at 2 o'clock. Delone Catholic (3-2) travels to Cumberland, Md., for a Saturday evening engagement at 8 with the LaSalle Crusaders.

In addition to the Gettysburg-Middletown scrap, other South Penn games Friday night include Mechanicsburg at Chambersburg and Waynesboro at Hanover. Central plays at Dallastown Saturday in a Laurel League affair.

Middletown At Gettysburg

A repeat of the performance given last week in clobbering Mechanicsburg should be all that is needed for the Gettysburg High School Warriors to win over Middletown here Friday evening. Gettysburg has never beaten Middletown in South Penn competition and a triumph would be particularly pleasing in view of the crushing 33-6 defeat sustained at the hands of the Blue Raiders a year ago.

The Warriors gave their finest exhibition in winning last week with a brilliant all-around performance by all participants. Bob Furney, big fullback, finally lived up to expectations with his hard-running. Joel Riddlemeyer, quarterback, had his best evening with some excellent passing while Tommy Crist, speedy halfback, continued with his solid all-around work. Ted Fair, Hardy Nichols, Bill Shoemaker and Jason Gulden all have shown big improvement.

It appears the big Warrior line has finally jelled. Bob Nelson, Roy Goldsmith, Bill Rentzel, Ken Kimple, Ed Simpson, Captain Gary Maitland, Mike Small, Bob Grosholtz, Dick Scott and Frank Skidmore have combined to present a tough forward wall.

Both Tied Hounds

Middletown comes here with a 1-3-1 record. The Raiders and Warriors have met one common foe to date, each tying Shippensburg, the Raiders turning in a 5-6 tie while Gettysburg and the Hounds were scoreless. Middletown lost its opener to York Catholic 19-6 and then won over Waynesboro 19-6 before being shutout by Carlisle 20-0 and Hanover 25-0.

The Raiders' attack this season has been borne by two fine running backs, Ron McGraw, 171, and Barry Goodling, 150, both of whom are lettermen.

A victory for Gettysburg would move them up in the South Penn standings and keep alive their hopes to stay in the title picture.

Juniata Joint At Biglerville

Juniata Joint, with a 25-game winning streak and unbeaten record in its last 29 starts, will be the opposition for the Biglerville High Cannons Friday evening at Biglerville.

Coach Jack Emanuel said today his winless outfit has been pointing for a victory over Juniata in an effort to regain some prestige. A triumph would be a big lift for the Cannons who have three additional games remaining on their schedule.

Juniata is led by Dale Smith, 190-pound fullback, who is being sought by a number of colleges. Smith is excellent all-around performer and does the kicking and passing in addition to most of the ball-carrying. Juniata employs the single wing and winged-T attack.

So far this season the Cannons have displayed an excellent offense but have been sorely

BULLET FROSH MEET BISON AT LEWISBURG

Jack Ridinger's Gettysburg College freshman football squad will open its five-game schedule against the Bucknell frosh at Lewisburg Saturday afternoon at 2 o'clock. Originally the game was scheduled for Friday.

So close are the battles for starting berths that Coach Ridinger has refused to name a starting lineup. With the exception of Harry Richter, 180, end, all squad members are in good physical condition. However, Richter may be able to oppose the Bisons.

Among the 28-man squad Ridinger and his assistant, Bill Morrow, will take to Lewisburg is Earl Little, former Gettysburg High School quarterback who was selected to the All-South Penn Conference team last year.

The Bullet yearlings will play their first home game Thursday evening, October 23, when they entertain the Shippensburg State Teachers College junior varsity on the high school field in a benefit game for the Charity Fund of the Gettysburg Lions Club.

D'AMATO WILL ALLOW TITLE FIGHT IN '59

NEW YORK (AP)—The heavyweight picture is very clear today, at least in the eyes of Cus D'Amato, manager of world champion Floyd Patterson.

Here is the way D'Amato sizes it up:

1. England's Henry Cooper and Sweden's undefeated Ingemar Johansson are worthy challengers. 2. Eddie Machen (knocked out in the first round by Johansson). Zora Foley (outpointed by Cooper) and Willie Pastrano (stopped on cuts by England's Brian London) were overrated when they were ranked 1-2-3 among the contenders. (Machen, Foley and Pastrano are Americans.)

Will Consider Fight

3. But since everyone had ranked them 1-2-3 before, then these same people must concede the worthiness of Cooper and Johansson.

4. He will consider a title fight in London next spring or summer with Cooper but he also intends to go through with a commitment for a summer title defense in Colorado Springs, Colo. He had promised London promoter Harry Levene that if Levene had a worthy opponent he would go to London and fight for him.

5. Patterson will not fight for anyone remotely connected with the International Boxing Club. And that's why he won't accept a big home television offer for a Dec. 5 fight in Madison Square Garden.

Rejected December Date

Ned Irish, executive vice president of the Garden, said Wednesday that D'Amato had rejected a \$300,000 bid from the National Broadcasting Co. on behalf of Gillette, sponsors of the IBC's Friday night fights, for a Dec. 5 fight in the Garden. The unnamed opponent was expected to be Cuba's Nino Valdes. Irish said D'Amato also had turned down five other dates in the arena.

D'Amato charged that the IBC stifles competition by running both the Wednesday and Friday night television boxing shows. He has been shouting that ever since he split with the IBC nearly two years ago.

Will Honor Clarke

PRINCETON, N. J. (AP)—Bill Clarke, the only living member of what was perhaps one of baseball's greatest teams, will be honored here Friday evening on his 90th birthday.

Clarke handled the catching chores on the championship Baltimore Orioles squad of 1894-1896. Among his teammates were John McGraw, Hughie Jennings, Iron Man Joe McGinnity, Wee Willie Keeler and Dan Brothers, now all members of baseball's Hall of Fame.

Princeton's baseball coach for 34 years, Clarke led his squads to a .603 winning percentage.

O'Connor To Quit

PHOENIX, Ariz. (AP)—Leslie O'Connor said Wednesday night he plans to retire as president of the Pacific Coast League when his term expires in 1959.

He declined to comment on reports that a move is under way to draft retiring General Manager Dewey Soriano of Seattle as PCL president. The league will hold its annual meeting Oct. 27-28 in Spokane.

Pocketing The Pact

Casey Stengel obliges photographer and places contract in his pocket after signing new two-year pact to manage the New York Yankees, in New York Wednesday. Casey's signing was announced at a news conference.

Beard Returns To Baltimore Bullets

BALTIMORE (AP)—Ralph Beard, former college and Olympic star, will make a return to professional basketball this season with the Baltimore Bullets in the Eastern League.

The two-time All-America at Kentucky 10 years ago played with Indianapolis in the National Basketball Assn. after his graduation. An investigation of college basketball scandals in 1951 led to Beard being put on probation for three years. He went into the Army when his pro eligibility was restored.

STENGEL SEES 5TH PENNANT IN ROW IN '59

By JOE REICHLER

Associated Press Sports Writer
NEW YORK (AP)—Casey Stengel, fortified with a new two-year, \$80,000 contract, predicts his New York Yankees will make it five American League pennants in a row next year.

"If I didn't think we'd win again," he told a mammoth press conference, "I wouldn't have signed this piece of paper."

The 68-year-old pilot, still flush with what he called his greatest World Series triumph, said he would seek to strengthen the club for next year by trades.

Has Eye On 3 Senators

"We could use another pitcher, another outfielder and a right-handed pinch hitter. I'd say that this past year I was weaker than I've ever been during my 19 years here in the right-handed pinch-hitting department."

Stengel didn't identify any of the players he would seek but he hinted strongly he'd like to get either Pedro Ramos or Camilo Pascual, Washington's top two pitchers, and Roy Sievers, the Senators' slugging left fielder.

"I read the other day where they (Washington) said we'd have to give up four or five players if we wanted to do business with them. Then they said that three of their players (presumably Ramos, Pascual and Sievers) were not for trade. Well, who else do they have besides those three?"

Expendable Infielders

Stengel said he had a surplus of infielders who were expendable but did not say which ones would be offered in trade. He has three third basemen in Andy Carey, Jerry Lumpe and Bobby Richardson. Carey appears the most expendable.

Norm Siebern, who was benched after his unfortunate fielding misplays in left field in the fourth game of the World Series, will not be traded, according to Stengel.

"I haven't given up on the left fielder," is the way he put it. "No amount of money can have him." Stengel indicated that Elston Howard, who led the club in batting this year, would replace the aging Yogi Berra as the team's No. 1 catcher.

"Howard proved to me he's the best catcher in baseball," Stengel said. "He's amazing. If Berra wants to play more games, I'll use him as my four-way man. He can play first base, in the outfield. He can pinch hit and he can catch."

Cards Buy Hurler

ST. LOUIS (AP)—Left-hander Marshall Bridges, 27, the Pacific Coast League's strikeout king, has been bought by the St. Louis Cardinals.

Purchase of the Negro from Sacramento was announced Wednesday. The price was not disclosed. Bridges, one-time first baseman who turned to pitching in 1955, won 16 and lost 11 with Sacramento this year.

RALPH DUPAS BEATS TURNER; WAS TOO FAST

MONTREAL (AP)—Ralph Dupas of New Orleans had too many legs and arms for Gil Turner of Philadelphia Wednesday night. The young Cajun boxer, on the move from start to finish, shot a steady stream of hooks and jabs to win a unanimous decision.

The 10-round welterweight bout, telecast nationally in the United States, attracted only about 1,800 in Montreal Forum. Dupas gave away 7½ pounds, weighing 144½ to Turner's 152.

Dupas' shiftiness and speed confused the slower moving Philadelphia, whose attack was limited almost solely to swinging body blows that didn't appear to bother Dupas.

Bewildered Uncertain

Dupas was such a shadow-like moving target that Turner never figured him out, let alone getting him stationary long enough to do much damage.

Dupas' snapping left the sharp right hooks seemed to come from all directions on Turner, who was in trouble in the sixth and eighth rounds and appeared bewildered and uncertain. Dupas tried to set up his opponent for a knockout in the sixth but lacked the power to end the fight.

Dupas went into the fight the favorite although currently ranked No. 6, against No. 3 for Turner, in the National Boxing Assn. welterweight rankings. Dupas was 23 years old Monday. Turner is 27.

RANGERS OPEN BEFORE 14,059

Associated Press Sports Writer

NEW YORK (AP)—The electric clock in Madison Square Garden went on the blink in the first period of Wednesday night's National Hockey League game between the New York Rangers and Boston Bruins.

That might have been an indication of what was to come. Everything went wrong for the Rangers, who made their season home debut before 14,059—the largest opening NHL crowd in New York in nine years.

The Rangers held a 4-0 lead after two periods. The clock was repaired. Ranger netminder Marcel Paille was doing a fine job. Dean Prentice had clicked for a couple of nifty goals and Red Sullivan and Larry Popein had added the others.

Then, four goals by the Bruins in the final 12 minutes and New York had to settle for a 4-4 deadlock. The Blueshirts have yet to win a game, having tied three and lost one.

Bronco Horvath, a former Ranger, scored the tying goal for Boston with only 1:33 remaining in the game. Leo Labine, Doug Mohs and Jerry Toppazzini tallied the others.

Last Saturday, the Rangers held a 3-0 lead over Boston and the Bruins also rallied at that time to finish in a 4-4 standoff.

Appeal To Court

SAN FRANCISCO (AP)—That hassle over giving the Los Angeles Dodgers a baseball park site in Chavez Ravine is going to be heard by the California Supreme Court.

The high court Wednesday announced it would hear arguments on the case in Sacramento Nov. 6. The court issued a writ of prohibition halting proceedings in Los Angeles Superior Court where Judge Arnold Prager ruled July 14 a contract under which Los Angeles would donate the land to the Dodgers was invalid.

HORSE SHOW PRIZES WILL TOTAL \$45,000

One of the biggest open jump-er divisions in the history of the Pennsylvania National Horse Show will be in action at the 13th annual show that opens Saturday in the Farm Show Arena in Harrisburg. The show runs through October 25.

Fifty-one horses from 13 states, the District of Columbia and two Canadian provinces make up the division, topped only by the record enrollment of 1956 when the first Pennsylvania Big Jump alone drew more than 50 entries. Horses are coming here this year from California, Oregon, Florida and Manitoba to compete for the rich stakes offered in the Penn National—biggest horse show in the East.

Trick, Precision Riding

Twenty-one are eligible for the Big Jump on Thursday night when the winner will take down 50 per cent of the \$6,335 purse. At least twenty others are expected in the Sky-Hi Jump Monday night, Oct. 20. A \$5,000 purse is offered for any horse or horses that break the recognized world record of eight feet, three-quarters of an inch.

In addition, there will be exhibitions of trick and precision riding and dressage at each performance.

International teams of five nations will compete in what is being looked on as a preview of the 1960 Olympics. The West German team, 1956 Olympic champions, faces the challenge of a great United States team that won 24 first places in six big European shows this summer and teams from Canada, Mexico and Cuba.

A total of 764 horses are entered in the show that offers prizes totaling \$45,000.

HARVEY WHITE OF CLEMSON IS BACK OF WEEK

For his brilliant field generalship, running and passing in guiding Clemson to two touchdowns in the last quarter and victory over Vanderbilt, Harvey White was voted the Back of the Week today.

The 6-2, 200-pound junior quarterback from Greenwood, S. C., won the weekly Associated Press laurels over such outstanding backs as Pete Dawkins of Army, Charlie Milstead of Texas Aggies, Bob Brumble of Tulsa, Bobby Lackey of Texas, Joe Tranchini of Navy and Wray Carlton of Duke.

Clemson defeated Vanderbilt 12-7 for the undefeated Tigers' fourth come-from-behind victory.

Here is what White did while playing 43 minutes. With Vandy leading 7-0 late in the fourth period, he directed a

Giants Adding Trio From Farm Team

SAN FRANCISCO (AP)—Three new faces will be seen at Phoenix, Ariz. next year when the San Francisco Giants open spring training. The trio, purchased Tuesday from the Phoenix farm club, are:

First baseman Willie McCovey, 20, who hit .319 at Phoenix. Catcher Albert Stieglitz, 25, a .296 hitter last season with Corpus Christi of the Texas League. Infielder Jose Pagan, 23, a .298 hitter with Springfield of the Eastern League.

BERMUDIAN JR. HIGH WINS 4TH STRAIGHT 18-6

Bermudian Joint's unbeaten Junior High football team added its fourth straight victory Wednesday afternoon by defeating York Suburban at York Springs 18-6. The game was originally slated to be played today.

The winners scored twice in the second quarter. The first tally came on a 2-yard plunge by Craig Hoke and the second on a 20-yard run after a pass interception by Bob Stambaugh.

Barry Schrade took the second half kickoff and raced back 65 yards for Bermudian's final touchdown.

Late in the third quarter York Suburban scored on a 45-yard pass play, Larry Gross to Doug Anstine.

Bermudian is scheduled to play at Spring Grove next Thursday afternoon.

The lineups:

Bermudian
Ends — Stambaugh, Myers.
Tackles — Asper, Zeigler.
Guards — Rohrbaugh, Wolf.
Center — R. Miller.
Backs — Shellhammer, Schrade, Hoke, Hardy.

York Suburban

Bermudian 0 12 6 0—18
Suburban 0 0 6 0—6

Touchdowns—Bermudian: Hoke, Stambaugh, Schrade; Suburban: Anstine.

76-yard drive in 13 plays on which he ran four times for 28 yards and scored from the one. His pass for the extra points was intercepted.

But after the kickoff and Vanderbilt had been forced to punt, White engineered a 69-yard drive in 15 plays. On this one he ran four times for 14 yards, passed twice for 22 and scored the TD from the three as the clock showed nine seconds remaining. Vandy had the ball for only seven plays, including two punts, in the last quarter.

BOLT JUNIOR HIGH UPSETS CANNERS 22-6

Biglerville Junior High's three-game winning streak was snapped Wednesday evening when the Littlestown High gridders captured a 22-6 decision on the Cannons' field. It was the first triumph for the young Bolts after two losses.

Littlestown scored twice in the second quarter. Strevig smashed over from the two for the first TD and Smith returned a pass interception for 35 yards for the second. Woodward added the extra point on a plunge following the second touchdown.

A safety was gained by Littlestown in the third period when Black fumbled and was tackled in the end zone.

Smith accounted for Littlestown's final touchdown in the last quarter on a four-yard smash. He also ran over for the point. Biglerville took to the air to tab its lone score in the last stanza when Kane passed 15 yards to Guise, right end, who ran 30 additional yards.

Next Wednesday Biglerville hosts Gettysburg's Spiders at 3:30. Littlestown will host Biglerville in a return game October 29.

The lineups:

Biglerville
Ends — Guise, Bedford.
Tackles — Hardman, Davis.
Guards — Johnson, Bowers.
Center — Mickey.
Backs — Wright, Wetzel, Slaybaugh, Black, Kane.

Littlestown

POLICE PUSH FOR SOLUTION ON BOMBINGS

ATLANTA, Ga. (AP)—A special police staff went into seclusion as they pressed harder than ever today for a solution to the dynamite explosion which shattered a large portion of a Jewish temple.

Reliable sources said it was understood the FBI expected to solve the case today. N. R. Johnson, in charge of the FBI office here, declined comment.

The blast before dawn Sunday was the first anti-Semitic violence in Atlanta but the fourth in the South this year. It caused \$200,000 damage to the temple.

More bomb threats — The police staff directing the investigation here moved to an undisclosed site late Wednesday. Capt. J. L. Moseley said requests for information from news media had reached the point where they were interfering with the investigation.

Two more bomb threats were made Wednesday night by telephone but nothing came of either. Radio-TV stations WSB and WSB-TV received a call from a man who said the Atlanta Journal-Constitution building would be bombed next. Extra policemen have been on duty at the building since a similar threat was made Sunday night. WSB and WSB-TV, which is owned by the newspapers, said it received a second call later, apparently from the same man, who said the station also would be blown up.

Five Are Held — Five persons being held by the police were questioned by the FBI. Police said a search of the residences of two of the men turned up two letters, one of which threatened the Atlanta Jewish community. The other contained hate-mongering correspondence from another state.

Officers said the letters and a statement by one of those arrested tied two other persons in custody to a group that met here last May plot the bombing of the Temple.

RECESS IUEW NEGOTIATIONS

PITTSBURGH (AP) — Negotiations on job security issues between the 35,000 member International Union of Electrical Workers and Westinghouse Electric Corp. are in recess until Oct. 29.

The IUE, which is seeking a guaranteed annual wage, recessed the negotiations Wednesday.

Robert Nellis, chairman of IUE's Westinghouse Conference Board, said:

"We told them (Westinghouse) if they had anything in the meantime to offer on employment security that didn't provide wage cuts, to let us know and we would meet with them."

IUE conference board members will report the results of the two-day negotiations to members of 28 locals.

Nellis indicated it appeared unlikely that a strike vote would be taken in any local. Under a current contract, the union was free to strike last midnight.

PICK JURY FOR SWARTZ TRIAL

SMETHPORT, Pa. (A)—The trial of Vincent Swartz, 52, of Mahanoy City, who is accused of forgery in an alleged cinders fraud, is underway after selection of a jury of seven men and five women Wednesday.

A former employee of the Prep Contracting Co., of Frackville, Swartz is accused of forging weight slips and shortweighing the State Highways Dept. of some \$2,900 worth of cinders delivered in McKean County in 1956.

Swartz is the second Schuylkill County man to be tried in the alleged fraud.

A jury last Thursday convicted John Harris Jr., 32, of Frackville, but recommended leniency.

Judge Charles C. Hubbard will hear arguments Nov. 24 on a petition for a new trial for Harris. Sentencing was deferred pending outcome of the appeal.

GOOD BARGAINS IN VEGETABLES, FRUITS TODAY

By THE ASSOCIATED PRESS
Bargains in vegetables and fruits counterbalance continuing high prices for meats in the nation's supermarkets and neighborhood grocery stores this weekend.

Fresh produce from nearby fields and orchards is still available in many areas. Poor growing weather curtailed West Coast crops of lettuce, citrus fruits, grapes and vegetables but so far this has had little effect due to nearby supplies.

Variety Of Cuts
Supermarket meat experts seem to have scattered their fire trying to find bargains guaranteed to catch the shopper's eye. A variety of cuts of pork appear slightly more numerous than offerings of beef, while turkeys and frying or roasting chickens are featured in scattered locations. Pork specials are about evenly divided between cooked hams and less expensive fresh ham, pork loin and smoked picnic hams.

Pork chops are 2 to 10 cents a pound higher almost everywhere this week.

Veal chops are up a bit in a few sections, along with eggs, but other prices are mostly about the same as last week.

Vegetable Bargains
Outstanding vegetable buys include cabbage, onions, spinach, broccoli and potatoes. The big Long Island crop pushes potato supplies up and prices down. Cauliflower, Brussels sprouts, Swiss chard and dandelion greens also are outstanding buys.

Good buys are lettuce, carrots, snap beans, pascal celery, Idaho potatoes, sweet potatoes, radishes and green onions. Iceberg lettuce from New Jersey augments the California supply. Cucumbers and green or yellow squash are rated fairly good buys, while tomatoes,

eggplant and peppers are more expensive.

Big news in fruits again is apples, since supplies from both Eastern and Western orchards are so plentiful prices are way, way down.

Pears, grapes and a few remaining prunes also are good buys.

Cologne, the Cathedral City on Germany's Rhine, was founded 2,000 years ago by the Roman armies of Caesar. Its first name was "Colonia."

Rats Fail To Show For Extermination

OKLAHOMA CITY (A) — It was rat killing day in Oklahoma City Wednesday. Shotgun-armed police and firemen with flame throwers waded into a weedy area in the northwest sector.

Police Chief Roy Bergman personally directed the big hunt and housewives who had turned their antirrat wrath on City Hall watched from the sidelines.

After an hour of hunting, a tiny cotton rat poked his nose from the burning debris and was pulverized by shotgun blasts. Only four others were found by the hunters, who had expected some 600.

Bergman said philosophically: "Everyone cooperated but the rats."

SON TO STAR

NEW YORK (AP) — The two Jason Robards plan their first acting appearance together on Broadway this season in "The Disenchanted."

In it, the son will be starred and his father will be featured. The elder Robards retired about 10 years ago when he became blind, but a series of operations restored his sight and he resumed work last year in television.

Jason Robards Jr., distinguished himself in initial White Way assignment two seasons ago in "Long Day's Journey Into Night," this summer won kudos at the Stratford, Ont., Shakespeare festival.

STIFF BRAKES APPLIED TO STOCK MART

By FRANK CORMIER

WASHINGTON (AP)—The Federal Reserve Board today put into effect the stiffest stock market credit restraints in nearly 12 years. The board's purpose: to discourage speculation with borrowed money.

The board announced plans Wednesday to increase to 90 per cent the margin, or minimum down payment, required on purchases of stocks. The minimum margin had been 70 per cent since Aug. 5, when it was raised from 50 per cent.

The latest action means investors henceforth must put up at least \$90 in cash for every \$100 of stock they buy. It does not have any retroactive effect on stocks bought when margins were lower.

Was Expected

Only once before have margins been this high—when they were 100 per cent in the first year after World War II.

Wall Street had been expecting an increase and some stock analysts said they believed the action had been discounted in advance. The market reached an all-time high Monday but prices fell in heavy trading Tuesday and Wednesday.

When the reserve board raises margins, the aim is to prevent excessive use of credit in the stock market. If too much borrowed money moves into the market, less is available for use by borrowers in other sectors of the economy.

G. Keith Funston, president of the New York Stock Exchange, said credit on that exchange totals \$3,100,000,000. He said this is only 1.3 per cent of the total market value of the stocks.

It has not kept pace with increases in stock prices or with nongovernment credit in the rest of the economy.

A reserve board spokesman said loans by brokers and banks for purchasing stocks totaled \$4,300,000,000 at the end of September. He said this was the largest amount since this type of statistic was first collected during the 1930s.

Brokers' loans had increased 2 per cent this year and bank loans for stock purchases are up 8 per cent, he said.

SAYSCIA IS 'IMPROVING'

NEW YORK (AP) — Allen W. Dulles, director of the Central Intelligence Agency, says, "We are far from perfect but we are improving."

Dulles defended the agency against criticism that it had failed to alert Washington about the impending Suez and Iraqi crises.

"Sometimes — not always — our record is much better than the press would have you believe," he claimed.

Dulles' remarks on this issue were different from those in an advance press release of his text.

NEWMETHODS IN EPISCOPAL S. S. OKAYED

By GEORGE W. CORNELL
Associated Press Religion Writer

MIAMI BEACH, Fla. (AP)—A new look in Sunday school teaching—centered on childhood experiences and not just Bible verses—has firm support from the Episcopal general convention.

The program has been under fire from some elements in the church as slighting scriptural details.

But a move in the church's House of Deputies Wednesday to junk the whole technique was overwhelmingly defeated, and authorization was given to continue developing and improving the new method.

The sharpest attack on it came from A. Leon Huddleston of Memphis, Tenn., who said, "Group discussion of random subjects has been substituted for systematic instruction in the Christian faith."

He called for "more reliance on the historic doctrines of the church rather than on existentialist philosophy" and "group dynamics."

The program—known as the Seabury Series—seeks to adjust Biblical content and creeds to a child's age level and experiences—rather than just putting them in their fixed form.

More Souls Per Dollar
It's been called a kind of religious progressive education.

"There's no point in teaching a 5-year-old child that it's wrong to commit adultery," said the Rev. John Heuss of New York, in defending the program.

Peter Day of Milwaukee said it is revitalizing the church and "converting more souls per dollar spent than any other missionary work in the church."

An average cow in the United States produces about 6,000 pounds of milk each year.

LUTHERANS TO BORROW FUNDS

DAYTON, Ohio (AP)—The United Lutheran Church in America wound up its eight-day conference Wednesday by agreeing to borrow eight million dollars to help finance the church's building program.

The proposal to let the church's Board of American Missions borrow the funds to help finance the three-year \$24,350,000 program did not go unopposed.

Dr. Clarence C. Stoughton, president of Wittenberg College, Springfield, Ohio, called it "a dangerous and tragic move." He said the proposal was "an indictment against us as Christians when we permit a board to borrow money when we should give the money."

But the Rev. Dr. Donald L. House of New York, executive secretary of the Missions Board, said the funds were urgently needed to finance projects which have been postponed for lack of money.

The convention also voted to hold its next biennial meeting at Atlantic City, N. J., Oct. 13-20, 1960.

REDS 'CASE' OTHER ISLES

TAIPEI, Formosa (AP)—Four Communist planes flew over the tiny Wuchiu Islands today, raising speculation on Formosa that the Reds might try to seize those Nationalist outposts midway between Quemoy and Matsu to offset their failure to invade Quemoy.

acres, and the other, Little Wuchiu, is 57.6 acres. The Chinese Nationalists use them as a lookout post. Nationalists Defense Ministry said four Red planes circled over the Wuchius for 26 minutes in midmorning, then returned to the mainland.

Observers on Formosa thought the Reds might calculate they could capture the islands with relative ease, then trumpet their victory as the first step toward their long-promised capture of Formosa.

The Nationalists have kept quiet about their defenses on the Wuchius.

VACCINE FROM GERMS MAY BE CURE FOR COLD

WASHINGTON (AP)—Special vaccines made from your own germs may prevent your common cold from getting complicated. Sucking antibiotic lozenges may have the same effect.

Dr. J. Morrison Ritchie, director of the Public Health Laboratory, Birkenhead, England, told about it Wednesday at the sixth annual Symposium on Antibiotics.

He described tests held in the value of "autogenous vaccines" in the prevention of bacterial complications in the common cold.

The vaccines were made from microbes taken from nose and throat areas of volunteers at the time they showed the first sign of a cold. Then the vaccine was administered to the volunteers once a week during the winter. Another group of volunteers received no vaccine.

Complicated colds developed five times more frequently in the untreated group than in the treated, Ritchie said.

The following winter, similar success followed use of antibiotic lozenges, administered to a group of 100 people suspected of having colds. Only four of them developed a complicated cold compared with 26 out of 100 in an untreated group.

Ritchie said antibiotics of the tetracycline class were chosen for the tests.

A package of dried onion soup may be stirred into a pint of commercially prepared sour cream and used as a spread for crackers. If you try this, use as is, don't spoil it with additions of mayonnaise or catchup as some cooks unfortunately have been known to do.

There is no reason to believe U.S. forces would intervene in fighting there.

SPIDERS LOSE 26-13 BATTLE TO HANOVER 11

The Gettysburg Spiders lost a 26-13 decision to the Hanover Spiders here Wednesday afternoon. It was the second straight loss after a victory by Coach Bob Nicholson's outfit.

Long scoring plays featured the game. Hanover tabbed its first touchdown in the opening quarter when Dick Colehouse raced over.

A 70-yard pass play, Mel Stambaugh to Larry Spahr, produced another Hanover TD in the second quarter and a little later John Carl ran 80 yards on a double-reverse. Stambaugh raced over for the extra point following Carl's run.

Gettysburg also got into the scoring act in the second quarter when Johnny Longanecker fired a pass to Steve Olsen, the entire play covering 45 yards.

Hanover added its fourth score in the third frame when Spahr, on another double-reverse, ran 30 yards. Again Stambaugh added the point by rushing.

The local Spiders wound up their scoring in the fourth frame when Longanecker smashed over from the seven. A pass, Longanecker to Doug Bream, added the point.

Next Wednesday afternoon Gettysburg winds up its campaign with a game at Biglerville.

Title Race Sunday At Williams Grove

WILLIAMS GROVE — Sunday's 50-lap feature event climaxing the Ted Horn-Bill Schindler Memorial trophy race on the Williams Grove Speedway will decide the Eastern big car championship for 1958.

Three drivers in a close duel for the title will have their last opportunity to make a bid for the crown on the half-mile oval when a stellar field of Eastern and Midwestern chauffeurs make their final appearance of the season in the East this year. They are:

Indianapolis veteran Johnny Thomson, of Boyertown; Fred (Jiggs) Peters, Plainfield, N. J.; and Van Johnson, Pittsburgh.

NO HANDS BUT HE'S RESERVE GRID GUARD

CARLISLE, Pa. (AP)—For Leroy Baer, 17, senior at Carlisle High School, football seems an improbable extracurricular activity.

As a child he accidentally caught his hands in the wringer of a washing machine. By the time he was released from a hospital he faced life without a left arm or right hand, both so severely mangled by the wringer surgeons had to amputate them.

The handicap stirred a reservoir of courage in the lad.

Good Student

Through elementary school and high school he has maintained a high scholastic average. He now is president of the student council and plans to go to college.

Young Baer learned to do almost everything for himself, to dress himself, to tie his shoes.

Physically strong, he developed a keen, almost wistful desire to compete in athletics. It was Ken Millen, football coach here, who noticed the youngster's interest in football and decided to give him a try.

Baer first was tried as a place kicking specialist but failed to make the grade. Millen encouraged him to try a guard position and that's where he found his place on the football field.

Baer has won the No. 2 guard position behind veteran John Blazetic. He has played about half the time in Carlisle's four winning outings this season.

Millen analyzes young Baer's abilities this way:

"He is stronger on the defense than on offense. He hits hard, has good leg drive and his pursuit is fine. Needless to say, he has plenty of courage and desire."

An Inspiration

Baer also has speed. On numerous occasions he has been first down field under punts to make clean tackles in the open field. Baer's biggest drawback is his

3-FOLD GRID TASK FACED BY COACHES

By JACK CLARY
Associated Press Sports Writer

Don't begrudge the college football coach his daily bread. He is earning it from week to week trying to keep abreast of the changing offenses with a suitable defense. And equally important, trying to keep his own attack working.

This is a problem that bothers many coaches to the extent that some have to prepare for a different type attack each week. This entails:

1. Setting up and teaching a different type defense than the one learned the previous week.

Wake Forest Problem

2. Tutoring the scrubs on the opposition's plays so they can present reasonable facsimiles against the varsity.

3. Using the combination of the first two in scrimmages until the defense knows its job.

Since the defensive personnel are also the offense in this primary one platoon era, where do they get time to polish their attack? That is the problem.

It is one facing Wake Forest Coach Paul Amen today. The Beacons play Villanova Saturday and must face a T formation which makes extensive use of flankers, then will suddenly shift into an "I" formation.

Pitt Meets W. Va.

Last week, Amen had to tutor his lads against North Carolina State's multiple offense. The Beacons won 13-7. The week before his boys had their initial shot at the "I" formation, losing to Florida State 27-24. Prior to that, they beat two split-T teams, Maryland 34-0 and Virginia Tech 13-6.

Pitt meets West Virginia in a big rivalry game and the Panthers Coach Johnny Michelosen faces his fourth offense in five games. The Mountaineers have a split-T as their basic attack, from which they have run up 122 points in four games.

Pitt, specializing more in defense than offense this season, succumbed to Michigan State's multiple offense (22-8) last week, but conquered Minnesota's split-T 13-7. Holy Cross' T-variations 17-0 and UCLA's single wing, with balanced and unbalanced lines, 27-6.

Notre Dame's Terry Brennan

unorthodox stance, necessitated by the short right arm.

"We considered getting pads to give him more length in the arm but Leroy didn't want any part of it. Because of his short arm, he has to turn his knees out and as a result his stance is sort of a bowlegged one."

Nevertheless, Millen says Baer not only is a good reserve guard but an inspiration to his all winning South Penn Conference ball club.

Shoot Under Par

IRUMAGAWA, Japan (AP) — American golfer Jack Burke Jr. and Japan's Torakichi Nakamura each shot a one-under-par 71 today to tie with Ken Venturi of the U. S. in the Japan Open championship. Venturi shot a par 72.

Today's second round made it a three-way tie for first place. Burke, Nakamura and Venturi finished the 36 holes with 144 each.

HIT AND RUN TACTICS GOOD WITH H. COOK

BOULDER, Colo. (AP)—Hit-and-run tactics, frowned upon in traffic safety circles, work fine on the football field for Colorado's Howard Cook.

He'd sooner try to knock down a player trying to stop him than go around.

The 21-year-old senior from Wyoming is as good a reason as any why the Colorado Buffaloes are undefeated and leading the nation in total offense.

Cook, packing 185 pounds on his 5-foot-11 chassis, has rammed 282 yards in the 40 times he's carried the ball this season, an average of better than seven yards each trip.

He's thrown 48 passes and connected on 22, seven of them for touchdowns. He's the top scorer of the Big Eight Conference with 41 points and its chief ground gainer.

Cook is unimpressive on the practice field.

"If he didn't play any better on Saturday than he does on Tuesday," said a Colorado coach, "Cook would have a hard time getting off the bench."

bemoaned the fact last week that his boys have not faced the same type offense in any of their first three games. Army's "bazooka" and "lonesome end" did them in 14-2, and this week they must face Duke's split-T and "lonesome end" (and world champion sprinter) Dave Sime.

The Blue Devils' offense still differs from Army's in many respects, but Brennan so far had to conquer Indiana's single wing, 18-0, and Southern Methodist's spread, 14-6. He promised more offense work and Wednesday had two backfields working on offensive formations.

Picture Kansas' Jack Mitchell. He faces Oklahoma's "smorgasbord" offense, which at times has the center snapping the ball as an end. Mitchell takes it all in stride. He beat Iowa State's single wing last week 7-0, but lost to Colorado's multiple offense 31-0. Oregon State's balanced line single wing 12-0, and Texas Christian's conventional T-formation 42-0.

Those losses show that the offense needed some more time. That's what Mitchell is taking care of this week.

PETE DAWKINS TOP COLLEGE GRID SCORER

NEW YORK (AP) — Pete Dawkins, one-half of Army's fearsome backfield duo, is showing the way in major college individual football scoring with 42 points.

The 197-pound halfback from Royal Oak, Mich., who with Bob Anderson gives Army its best one-two punch since Glenn Davis and Doc Blanchard, crossed the goal line seven times in pacing the Cadets to three straight victories.

Figures released today by the National Collegiate Athletic Bureau shows Dawkins leading Colorado's Howard Cook by one point. Cook scored 25 of his 41 points against Arizona last Saturday. The 25 equalled the season's one-game high by Kentucky's Calvin Bird against Hawaii.

Patton Is Third

Bill Patton of California is third with 36 points. Bird, Dick Bass of College of the Pacific and versatile Bill Austin of Rutgers are next in line with 32 each.

Arizona's Dave Hibbert is the top pass catcher. He has been on the receiving end of 22 aeriels, the highest four-game total in five years. Hibbert's closest competitor is Ulmo Randall of Virginia, whose 19 receptions is five more than he caught all last season.

Bobby Walden has averaged 48.1 yards on 15 punts to top that department. Second at 46.5 is Don Croker of North Carolina.

The honor of being the hardest working back goes to Austin. The Rutgers ace has handled the ball on an average of 36.3 plays of all types per game. In addition he has scored five touchdowns and two extra points, tossed three touchdown passes and a pair of two-point conversion aeriels. That makes him responsible for 54 of Rutgers' 72 points.

Other Scoring

Vernon Cole of North Texas State, in one more game than Austin, also has had a hand in scoring 54 points (2 touchdowns, 5 TD passes and 6 two-point conversion passes). Responsible for only one point less is Cook who figured in 6 TDs, 2 TD passes, 2

extra points and a field goal.

Vanderbilt's David Ray is tops in punt returns with 4 for 120 yards and a 10-yard edge over John Horrillo of Oregon State. Tom Newell of Drake has run back 11 kickoffs for 219 yards, eight more than Virginia's Randall.

STUDY ROCKET BLOWN APART

CAPE CANAVERAL, Fla. (AP)—Navy missilemen today pieced together the shattered fragments of the second Polaris experimental rocket to explode in the last three weeks.

The 25-foot rocket was blown apart Wednesday after the second stage suddenly shot aloft a split second before launching and zigzagged over the Cape in a series of cartwheel turns.

On Sept. 24, its predecessor, was destroyed by the range safety officer 50,000 feet over the Cape

extra points and a field goal.

Vanderbilt's David Ray is tops in punt returns with 4 for 120 yards and a 10-yard edge over John Horrillo of Oregon State. Tom Newell of Drake has run back 11 kickoffs for 219 yards, eight more than Virginia's Randall.

BULLETS ADD THIRD SOCCER TRIUMPH 3-1

Bill Barriga's Gettysburg College soccer team upped its record to 3-1 by defeating Franklin and Marshall here Wednesday afternoon.

The Bullets showed marked improvement over previous play and displayed their best passing of the young season.

F. and M. took a 1-0 lead on a goal by Paine in the first two minutes of play. Garry Pflug tallied for Gettysburg after a minute of action in the second quarter.

Two goals in the final period clinched the decision, Don Emich scoring after seven minutes and Ritter Smith after 17 minutes.

Bob Smith, Jack Hathaway and Connie Youse put up fine exhibitions for the winners.

BARR CALLS ON REP. BUSH TO QUIT CONGRESS

HARRISBURG (AP)—State Sen. Joseph M. Barr, Democratic state chairman, has called for the resignation of U.S. Rep. Alvin R. Bush (R-Pa.).

The state chairman Wednesday called on Bush to resign for what Barr said was using "improper pressures" in behalf of a Milton radio station. Barr said the Muncy congressman wrote the Federal Communications Commission in behalf of the Milton radio station in which he owns stock.

Owens 400 Shares
Bush could not be reached for comment. His wife explained that he was out campaigning in his district.

She said her husband held "some stock" in the station but said "it's all been thrashed out before."

Barr said FCC records show that Bush owns 400 shares of Williamsport Radio Broadcasting Associates, Inc., operating WHPA in Williamsport. The firm sought to operate a new outlet in Milton, a move opposed by other existing stations in Williamsport and Milton, said Barr. The case is still pending.

Asked Martin's Help Too
"But despite his financial interest in the outcome of this case, businessman Bush last Jan. 8 put on the hat of Congressman Bush and wrote a letter to FCC Chairman George McConaughy, who since has resigned," Barr said, adding:

"Bush enclosed a letter from a fellow-stockholder, Woodrow W. Ott, who also is station manager of WHPA, the Williamsport station operated by Williamsport radio."

"The Ott letter asked Bush to 'make arrangements for both yourself and Sen. Martin to make individual contacts with the FCC chairman in the hope that you can get some early action.'"

"Only Honorable Course"
Bush has absolutely no excuse for intervening in this case," Barr stated. "He owns 400 shares—or 5.3 per cent—of the firm seeking the grant."

"Bush's actions are particularly shabby when it is remembered that a congressman is the representative of all the people of his district—including those who may be in competition with him in business," Barr said, adding:

"There is no honorable course open but for Congressman Bush to resign and become businessman Bush, since he seems unable to separate his conflict of interest in the Congress."

JAPAN BANS 5 WITNESSES

TOKYO (AP)—Peiping radio reported today the arrest in Shanghai of five Jehovah's Witnesses and banning of the religious sect.

The five—two Britons and three Chinese—were accused of trying to wreck Red China's "Socialist construction."

The charge was denied in New York by the head of the sect, which sent the Britons to China in 1947.

The Britons are Stanley Ernest Jones and Harold George King, the only foreign missionaries of the Jehovah's Witnesses in Communist China. Peiping gave no immediate indication of what will become of them or of the three Chinese.

Other missionaries in Red China have been sentenced to long prison terms for various alleged offenses. At least one is still under house arrest in Shanghai.

Peiping radio said the group headed by Jones and King "was by no means a religious organization, but an imperialist base for subversive and disruptive activities."

FIRE DESTROYS OIL PLATFORM

NEW ORLEANS (AP)—Explosions, followed by fire, demolished a multi-million dollar offshore oil production platform, killed one crewman and sent 21 others to hospitals Wednesday night.

Seven others were unaccounted for in an inferno in the Gulf of Mexico, 60 miles south of New Orleans. Five, possibly all six, oil wells clustered under the platform burned uncontrolled.

Fatally injured was T. P. Butler, Liberty, Miss.

A brother, E. A. Butler, also of Liberty, was reported missing. Critically burned was E. C. Swenson, 44, Algiers, La.

Three other crewmen were in serious condition.

The workmen were hurled or jumped from the platform, 50 feet above the 50-foot-deep water. Survivors were picked up by surface craft and taken to a nearby undamaged platform where they were picked up by helicopters and brought to hospitals.

There was no official explanation for the blast.

T. K. GLENNAN KEEPS SILENT ON MISSILES

WASHINGTON (AP) — If you hire T. Keith Glennan you may not know quite what you're letting yourself in for.

A Yale professor hired him in his undergraduate days as a part-time chauffeur. Glennan wound up by marrying the boss' daughter and they now have four children.

President Eisenhower picked the same Dr. Glennan last August to head the new National Aeronautics and Space Administration. It's a headline question at the moment whether the 53-year-old Glennan will wind up as boss of the Army's space projects.

Glennan gives no impression of being an empire-builder—the term they use in government for an official who grabs other people's projects, or invents new ones, to build his own importance. He is a quietly friendly family man of Irish ancestry. He has his share of the Old Sod's gift of gab but his reputation rests on engineering and administrative achievements rather than salesmanship.

President Of Case
Glennan was best known, probably, as president of Case Institute of Technology in Cleveland. He left that post for two years to serve on the Atomic Energy Commission under an appointment from President Harry S. Truman.

He returned to Washington to head the new civilian-run space agency, this time as an appointee of President Eisenhower.

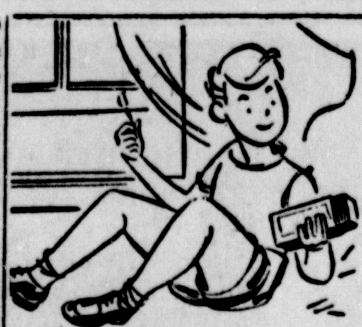

Early this month the new outfit, NASA, took control over the Navy's 150 civilian scientists working on satellites. Then this week word leaked out of the Pentagon that Glennan's agency wanted to run the Army's much larger space missile program as well.

Resentment surged up quickly among the Army missilemen, who feel they're doing fine under the present setup. There were threats of resignations and of protests directed to Eisenhower. The President told a news conference that no decision on transferring control away from the Army has been reached.

Was in Navy
Glennan kept quiet about the controversy.

Born in Enderlin, N.D., Sept. 8, 1905, Glennan is a keen-eyed, stocky man with thinning dark hair. His main interests apart from his work and his family are books and music. He is far from the conventional idea of a bookworm, though. Among his other jobs he was a Hollywood studio manager and an underwater sound detection expert for the Navy before going to Case.

TUNNEL BLAST FELT 2 MILES

ATOMIC TEST SITE, Nev. (AP)—The biggest tunnel shot ever fired here—but a baby as nuclear blasts go—jarred the ground two miles away Wednesday night.

Another full-scale shot was scheduled to be fired today from a balloon 500 feet high.

Magnesium flares dropped from an Air Force plane illuminated the mesa as the second atomic blast of the day went off at 10 o'clock Wednesday night in a chamber 830 feet underground. The explosion was the seventh full-scale detonation and the second full-scale underground shot of the current test series.

The power yield was described as below one kiloton. A kiloton is the equivalent of 1,000 tons of TNT.

A device of less than one kiloton was fired Wednesday morning from atop a 50-foot wooden tower. Perfection of small battlefield weapons is one aim of the test series.

Politics

KITTANNING, Pa. (AP)—Gov. George M. Leader has pledged to support in the U. S. Senate "every sound measure which promises to give more security, less worry, more help to the older people of the nation."

"This country's older citizens have been shabbily treated by the leaders of the Republican party for the past 20 years," Leader, the Democratic candidate for the U. S. Senate, said in a speech prepared for this Armstrong County town.

He said Republican leaders have either opposed outright the legislation proposed to aid the older persons, or have worked to water them down or cut them back.

"Perhaps the hardest hit of all Americans in this, the worst recession of the postwar era, are our older people, whose fixed incomes are shrinking rapidly with unchecked inflation," Leader said, adding:

"For the Republican candidates to show concern for their plight is praiseworthy—if that concern only carried over into the years between elections. But to pretend to worry about our senior citizens in the election years only, and entirely because this country's older people represent votes, is the height of cynicism and the depth of deceit."

"I doubt that our older citizens will be confused by the opportunism of the Republican candidates," Leader said.

PITTSBURGH (AP)—A joint statement protesting the injection of the 16-day Pittsburgh hotel strike into current political campaign has been issued by officials of two unions and the Pittsburgh Hotels Assn.

Although it did not mention him by name, the statement apparently was made in reply to remarks made by Arthur T. McGonigle, Republican candidate for governor.

Speaking in Uniontown Tuesday, McGonigle said:

"President Eisenhower will visit Pittsburgh Oct. 27. In this regard I say that I sincerely hope that the hotel strike in Pittsburgh will have resolved itself by Oct. 27."

"I use the expression 'resolved itself' because, despite the campaign claims of Mayor David L. Lawrence (McGonigle's Democratic opponent) that he will provide leadership and unite all factions under his leadership, if elected governor, he has proved completely incapable of handling this strike."

SPOOK DANCE IS PLANNED BY VFW ON OCT. 31

Plans were made for a Halloween Dance, at the semi-monthly meeting of the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars on Tuesday evening at the post home, W. King St. The dance will be held on Friday, October 31, from 9:30 to 1:30 o'clock at Bankert's Recreation Center, N. Queen St. Music will be provided by Pat Patterson and his orchestra, Hanover. The committee in charge of arrangements includes Leo Riley, Earl J. Weaver and Edgar W. Wisotzky.

Two new members were enrolled in the post on Tuesday: Harold Strawburg and Philip J. Milarde. A donation was voted to the Adams County essay and art poster contest. It was decided to purchase briefcases for use by the quartermaster and service officer. The following committee was appointed to be in charge of arranging the New Year dance and party of the post: Earl Weaver, Edgar Wisotzky, Howard Myers, Robert L. Snyder and Malcolm Harner. The VFW will meet again on Tuesday, October 28, 8 p.m.

The Ladies' Aid Society of Redeemer's United Church of Christ met on Tuesday evening in the social hall of the church, when plans were made to hold a pie, soup and sandwich sale on Wednesday, October 29. The sale will be conducted from the church kitchen that morning, and orders may be placed with any Aid member. Chicken and ham salad sandwiches, vegetable soup and various kinds of pies will be available. Members of the society will meet at the kitchen on Tuesday evening, October 28, to begin preparing the food for the sale.

The meeting on Tuesday opened with the Apostles' Creed repeated in unison, and the program was as follows: Group singing, accompanied on the piano by Mrs. Samuel H. Higinbotham; Scripture and prayer, Mrs. Higinbotham; trumpet solo, Donald Arbogast Jr.; saxophone solo, Terry Arbogast; readings, Mrs. Richard M. Phreaner, Mrs. Hamilton C. Walker, Mrs. Glenn Flinchbaugh and Mrs. Claude Reichert.

The business period was conducted in charge of the president, Mrs. Edward B. Geiman, who heard reports from the secretary, Mrs. Donald C. Arbogast, and treasurer, Mrs. Paul F. Crabbs. Plans were discussed to serve a banquet to the Bay View Reading Club on Friday, November 7, 6:30 p.m., in the church social hall. The following committee was appointed to head arrangements from the Aid for the Christmas bazaar to be held by the congregation on Friday and Saturday, December 5 and 6: Mrs. John W. LeGore, Mrs. William Wherley and Mrs. Richard Phreaner. The guess package, given by Mrs. Paul Crabbs, was received by Mrs. Glenn S. Kauffman Jr., Mrs. Clement A. Sneeringer, Mrs. William Wherley and Mrs. Claude Olinger were appointed to serve as the hostess committee for the next regular meeting on Tuesday, Nov. 11. The session concluded with the Lord's Prayer repeated in unison, and refreshments were served by Mrs. Higinbotham, Mrs. Phreaner, Mrs. Walker and Mrs. Reichert.

MUMMASBURG — Mr. and Mrs. Jonas Saylor, of York, were Sunday visitors at the home of Mr. and Mrs. Chester Shue and family.

Mr. and Mrs. Charles McCadden and son, Wilmer, Mr. and Mrs. Guy Fidler and daughters, Delores and Linda, Mr. and Mrs. Clyde Dugan and Mr. and Mrs. George Gaithers were sightseeing recently through the coal regions. On Sunday the McCaddens, the Fidlers, their daughter, Laura, and their son, Raymond, and Earl Plank motored over the Tuscorora and Allegheny mountains and through Frostburg, Clarysville, Ft. Loudon, Somerset, Cumberland and Hagerstown.

Melvin Wilson is spending the week at the home of his brother-in-law and sister, Mr. and Mrs. Glenn Emlet, near Wrightsville. Sunday visitors at the home of Mr. and Mrs. Harold Martin and family were Mr. and Mrs. Daniel Clymer and family, Mr. and Mrs. Ira Nafziger and family and Mrs. Mabel Clymer, all of near Lancaster. Mrs. Mabel Clymer is mother of Mrs. Martin, Mrs. Nafziger and of Daniel Clymer.

Mr. and Mrs. James Crouse, Wilmington, Del., were Sunday visitors at the home of Mrs. Crouse's mother, Mrs. Ada Keefer.

Mr. and Mrs. Lester Harbaugh, York, were recent visitors at the home of Mrs. Harbaugh's brother and sister-in-law, Mr. and Mrs. Frank Miller.

George Washington met and married Martha Curtis near West Point. But, this West Point isn't the military academy. It's a town in Virginia.

U. S. FOREIGN POLICY ROLE CAMPAIGN IS BEING DEBATED

By JACK BELL
WASHINGTON (AP)—What's a bewildered Democratic politician to do?

Secretary of State Dulles says it's all right for administration opponents to debate the "basic problems" of foreign policy. But he finds it highly undesirable for them to talk in the campaign about "current aspects" of that policy.

President Eisenhower says the "basic parts" of U.S. foreign policy have been standing on their own feet for a long time. But he does not deny "intelligent questioning and criticism" of the tough daily decisions needed to carry out that policy.

Smathers' Stand
Faced with this seeming contradiction, Sen. George A. Smathers (D-Fla.) said today Democrats will continue to discuss "matters of such vital importance to the nation that decisions on them cannot be left to two men alone—Eisenhower and Dulles."

From the other side of the political fence, Sen. Thruston B. Morton (R-Ky.) said in a separate interview there is room for campaign debate on international affairs "only if the discussion is constructive and it is for the purpose of keeping the electorate informed."

In San Francisco, Vice President Nixon told a news conference responsible Republicans must answer Democratic criticisms, even if the attacks appear ridiculous. Otherwise, he said, the Republican party will go down to defeat.

Says Ike's Stand Proper
He said Eisenhower's stand is a proper one for a president, but "those of us who have the responsibility for carrying the weight of the campaign" should speak up in defense of the administration.

At the time Eisenhower was telling his news conference Wednesday that he deplores injection of foreign policy into the campaign, the Republican National Committee had in the mails a new blast against Democrats.

The GOP committee said that Dean Acheson, former secretary of state, Democratic National Chairman Paul Butler and Senators Wayne Morse (D-Ore.), Hubert Humphrey (D-Minn.) and Smathers "have been preaching appeasement, retreat and surrender over the matter of Quemoy and Matsu."

Wants Bipartisan Policy
"They want to substitute the policy which led to Korea for the

The POWER of FAITH by Howard Brodie

"Faith was the most important part of my flight," said Capt. Marion "Pat" Boling, after breaking the non-stop record for single engine aircraft on a recent 6,979-mile flight from Manila to Pendleton, Ore.

Pat, a Seventh Day Adventist and neighbor of mine in Palo Alto, Calif., said he never felt alone during the 45 hours and 46 minutes he was in the air. Every half hour, as part of his regular check-list, he said a prayer. In this way, he knew that God was with him at all times.

firm policy of this administration which has brought a cease-fire to the Formosa Strait, with honor retained," the GOP committee said.

Eisenhower did not reply directly to a question as to whether he thought it fair to use the term appeasement for those who opposed his Quemoy policies.

Instead, he said he had spoken out against appeasement as others had years ago. He added that "when you give way to force and readjust yourself and go back through force, it can't be anything

else but appeasement."

Smathers, who heads the Democratic Senatorial Campaign Committee, said he would not describe as appeasers those who discuss policy moves that may mean the difference between peace and war. "I am strongly in favor of a bipartisan foreign policy program but this administration has not seen fit to consult with Democratic leaders before making its decisions," Smathers said.

ADVERTISE IN THE TIMES

DELAYS RADAR CASE DECISION

PITTSBURGH (AP)—Judge James Guffey says he will announce later his decision on an appeal by a truck driver who was fined for speeding after being clocked on a radar screen.

In an appeal filed Wednesday in Allegheny County Court, William E. Russell of Akron, Ohio, claimed he was not speeding and that the use of radar was illegal.

Russell was arrested and fined \$10 last June for the alleged violation on the Pennsylvania Turnpike near the Pittsburgh Interchange.

State police charged Russell with driving "too fast for conditions." An officer said he clocked him on a radar screen traveling 68 miles per hour in a 50 mile zone.

Judge Guffey said he would announce his decision later after a thorough examination of the law regarding the use of radar.

The only other speeding case involving radar to be tested in Pennsylvania courts was in Bedford County where a conviction was upheld.

World Briefs

FUERSTENFELDBRUCK, Germany (AP)—More American troops returned to Germany today after 2½ months of special duty in Lebanon.

The advance party of the 1st Airborne Battle Group of the 24th Infantry Division flew into this south German air base aboard a Globemaster.

A second plane was due late today, with the remainder of the task force to follow in the near future.

BERLIN (AP)—An East German court has sentenced a Catholic priest, Kaplan Hugo Hermes, to 16 months imprisonment on charges of possessing West German books.

SEOUL (AP)—Gen. Maxwell D. Taylor, U.S. Army chief of staff, said today the situation in the Formosa Strait needs to be watched for a long time.

Commenting on the two-week extension of the cease-fire proclaimed by Communist China, Taylor said, "We know how unreliable the Communists are."

Taylor, former U.S. and U.N. commander in Korea, arrived today for a four-day visit to troop installations here.

MANY FLEEING FLOOD WATERS

BROWNSVILLE, Tex. (AP)—The flooding Rio Grande teamed up with heavy downpours to chase thousands from their homes on both sides of the border river.

More rains upstream on the Mexican side threatened even higher water.

Heavy releases of water were made from Falcon Reservoir, about 150 miles upstream, because the flood pool was full and more water was headed downstream. The releases combined with downpours and inflows from Mexico to spread flooding and misery from the huge reservoir to the Gulf.

At Elsa, Tex., heavy rains of up to 5 inches flooded streets and houses, closed schools and sent some 120 persons to temporary shelters.

The Mexican city of Carmago was deserted except for police and army officials. The entire population, estimated at more than 5,000, sought higher ground when the Rio San Juan backed into streets and houses.

Penitas and Abram, two small American villages south of Mission, were ordered evacuated as a precaution. No loss of life was reported.

REJECT HIGH SPEED LINE

CAMDEN, N.J. (AP)—The Delaware River Port Authority has rejected as impractical Philadelphia's plan for 25 million dollar high speed rail line to South Jersey.

At a meeting Wednesday the authority asked Philadelphia to study the plan some more and determine how much it would cost to eliminate the impractical features.

The commissioners said the proposed single track between Camden and Kirkwood, the terminus, would cause delays and bar flexible schedules.

And they said the many grade crossings in south Jersey would be a hazard to highway traffic.

The proposed commuter line would start at 16th and Locust Streets in Philadelphia. It would use the present rail line across the Benjamin Franklin Bridge spanning the Delaware River. Then it would use the Pennsylvania Reading Seashore lines—right-of-way to Kirkwood, five miles south of Haddonfield.

TEN ARRESTED IN POLICE RAID

WILKES-BARRE, Pa. (AP)—Nine men and a woman were arrested on gambling charges Wednesday by a special squad of state police which raided six stores.

A state police spokesman said the raids, by 18 men dressed in civilian clothes, were in "response to numerous complaints" about gambling in Wilkes-Barre.

The 10 were held in jail for a further hearing.

Six from Wilkes-Barre charged with conducting a lottery. They were Thomas J. Nardone, 46, Theresa Nardone, 43, Odell Moose, 35, Morton Baer, 37, Gerald Baer, 35, and Benjamin Levandowski, 51. Others booked on the same charge were Patrick Benfante, 55, Ittison, and Robert Jones, 30, Kingston.

Also arrested were Harry Solomon 51, charged with pool selling, bookmaking and conducting a lottery, and Frank Wolf, pool selling and booking a lottery. Both are from Wilkes-Barre.

LOUISVILLE, Ky. (AP)—Buyers will be able to get loans for new homes more easily in November, Federal Housing Commissioner Norman P. Mason said. "While I don't expect us to have the same easy-money situation as in April and May, in another month the market will not be so tight as it is now," he said at a Kentucky real estate meeting.

MOSCOW (AP)—Moscow's Roman Catholic church was crowded today for a special Requiem Mass for Pope Pius XII. The Mass was celebrated for the benefit of diplomats from nations which maintain relations with the Vatican, but many Soviet Catholics also attended.

Most boys dream of growing up and becoming a success...newspaperboys are already doing something about it!

A newspaperboy is learning about the business world every day. He's an independent merchant who buys at wholesale—sells at retail—makes his own collections and builds up profits by salesmanship and good service.

Other boys lacking this experience will have much less to offer a future employer.

It's no accident that a newspaperboy is an above average student. His experience makes him realize more than other boys that he'll have to put his classroom lessons to work on his first full-time job.

Yes, a newspaper route starts a boy thinking... about his progress in school and what he'll have to learn to be a business success. He'll be able to offer his future employer a well-rounded background in free enterprise and the American Way of Life.

Busy Boys Are Better Boys

If you think your son or some other youngster might profit by similar Newspaperboy experience, why not suggest that he come in and talk to us.

The Gettysburg Times

Your Newspaperboy will appreciate it if you will have your money ready for him when he makes his regular collections. That will save him time and help him maintain his profits.

WARM SPELL IS FORECAST

WASHINGTON (AP) — Higher than seasonal temperatures are likely for most of the nation during the next 30 days.

The Weather Bureau, in its 30-day outlook today, said exceptions will be in the areas east of the Appalachians, along the Gulf Coast and in the Pacific Northwest.

The prediction: "The Weather Bureau's 30-day outlook for the period from mid-October to mid-November calls

LONDON (AP)—Moscow Radio today announced that a Japanese girl victim of the 1945 Hiroshima atom bombing soon will undergo the last in a series of two operations in Moscow.

The broadcast said the girl will be restored to health in six months.

Hisako Nagato of Hiroshima, who was exposed to heavy radiation in the attack when she was 9, had developed an ulcerated larynx, the broadcast said.

NEW YORK (AP) — A Jewish synagogue in Brooklyn reported to police Wednesday night that three windows had been broken sometime during the day.

Police said it apparently was the work of stone throwing children but that an investigation was being made.

16 CARS ON WM DERAILED IN MARYLAND

Maintenance crews of the Western Maryland Railway Co. Wednesday completed the task of clearing debris from the tracks near Greenmount, Md., following the derailment of the middle section of an 83-car freight train that went through Gettysburg Tuesday morning.

The derailment occurred Tuesday at 12:15 p.m. when the train, making its daily run from Hagerstown to Port Covington, Md., pulled into a siding near the Maryland community.

Officials of the Western Maryland said the train made the upgrade on the Greenmount stop and was traveling at normal speed when a coupling on one of the cars dropped to the tracks, resulting in a broken bolster.

Track Torn Up
Sixteen cars including 12 empties were derailed. With the train crew in the cab and caboose when the accident occurred, there were no injuries.

The cars were carrying limestone, coal and sand. Much debris spilled into adjoining fields. Maintenance crews from Hagerstown and Hagerstown worked into the night to clear the tracks.

The front part of the train not involved in the wreck continued to Baltimore, while the damaged cars to the rear were sent to Millers, Md.

Residents of nearby homes reported hearing a loud crash, then seeing the mass wreckage which tore up several hundred feet of track.

Little Carolyn was about out of breath — it isn't easy for a 3-year-old to keep up with older children on their Halloween trick-or-treat rounds.

She had piped "Trick or treat!" to dozens of people in the neighborhood, and had filled a bag almost as big as its proud possessor.

Whether the other children grew tired of waiting for Carolyn, or whether she stopped to thrust a tiny hand into the sack of treats — no one knows why she got behind so far she had to run to catch up.

She was hit and killed in the middle of an intersection by a car.

No wonder parents are especially concerned with the welfare of their children on Halloween night. It's a night when bedtime is moved back an hour — or two, if the protests are long and loud enough — and little ones are allowed the unaccustomed privilege of roaming a dark street.

Little wonder, then, that organizations such as the National Safety Council are urging parents — and children, too — to go all out to make this Oct. 31 safe from Halloween hazards.

"No one," the council points out, "wants to spoil the fun of youngsters on Halloween. We all were kids once, too. But Halloween need not be — should not be — a time of tragedy."

How can parents make Halloween free from tragedy? Here's how:

Buy your children light-colored costumes — they're easier to see at night. And make sure the outfits aren't tripping hazards, and that they're flameproof.

Masks are dangerous because they restrict vision. They're also hot and some are scratchy, so kids will welcome a painted false face. A little rouge, eyebrow pencil and moustache stick can make children miniature ghosts, goblins, pirates or clowns — but with the added safety factor of allowing them to see danger in time to avoid it.

Remind children that on Halloween, as during the rest of the year, such safety precautions as these should be observed:

No dashing from between parked cars, no playing in the street, no crossing the street without first looking both ways.

To make doubly sure motorists can see costumed children, put reflectorized tape or bands on their outfits.

Motorists can help by slowing down a bit on Halloween, and by keeping in mind that there'll be lots of children out that night — excited children who may dash into the street without advance warning.

When old-fashioned recipes direct you to "fry out" salt pork, cut it into small pieces and heat it very slowly in a heavy skillet until the fat extracts itself from the meat.

Faraway Farm Is Sold For \$225,976

LEXINGTON, Ky. (AP)—Faraway Farm, the blue grass horse nursery made famous by Man O' War, brought more than a quarter-million dollars at auction Wednesday.

The 365-acre farm north of Lexington was sold in two tracts, one to Ira Drymon, Lexington horseman, and the other to Charles Moore, local real estate dealer. All told, the farm brought \$225,976.59.

Excluded in the sale was the 2 1/2-acre tract where Man O' War, America's greatest thoroughbred the first half of this century, is buried. His grave and a bronze statue over it will become a public shrine maintained by Fayette County and the Lexington Chamber of Commerce.

The Malaya Federation has more than two million Chinese among its multilingual population of seven million.

C. Josephine Eltz, McSherrystown, sold to John W. and Gladys J. Spangler, McSherrystown, a property in McSherrystown for \$8,000.

James H. and Mary H. Spalding, Littlestown, sold to D. Elwood, and Romaine A. Breighner, Hanover, property in Union Twp. for \$1,500.

Big Plane Crash-Lands On Busy Highway Smashing 3 Cars And Killing Motorist

BABYLON, N.Y. (AP)—A military transport plane with seven men aboard crash-landed on a busy highway Wednesday night, smashing into three cars during a wild skid and fatally injuring a motorist.

The twin-engine C123 ran out of gas and swooped down on the four-lane Southern State Parkway on Long Island. Skidding hundreds of feet, it ripped through an underpass and struck three cars before stopping in flames.

Harold J. Schneider, West Islip, N.Y., died of head injuries shortly after the accident.

Trying To Land
Three Air Force men and two women motorists suffered minor injuries.

The plane had been trying to land at Zahn's Airport, about half a mile from the crash scene.

After hitting the highway the plane skidded several hundred feet and into an underpass. The plane has a wingspan of 119 feet; the underpass is 50 feet wide. The plane emerged with wings, tail piece and one engine gone.

The woman motorists injured were Mrs. Mary Rehm, Islip Terrace, and Mrs. Frank Calabrese, West Islip.

The injured Air Force men were identified as Capt. John Florio, Sgt. Wallett A. Carman and Sgt. Edgar H. Williamson. The pilot was Lt. Gary L. Moonson.

The plane had been en route from Dobbins Air Force Base, Marietta, Ga., to Mitchel Field on Long Island.

LUTHERANS OKAY MERGER

DAYTON, Ohio (AP) — Delegates to the United Lutheran Church in America convention Tuesday substantially approved a merger of the ULCA and three small Lutheran churches.

The approval of the merger, termed the most significant action taken at the 21st biennial convention, will create a church with more than three million members. A name for the new organization has not been determined.

Dr. Franklin Clark Fry, ULCA president, said the constitution and bylaws for the new church will be ready by the 1960 convention. He said he hopes the merger will go into effect at that time.

Four Churches
The three smaller churches involved in the merger are the Augustana Lutheran Church, the Finnish Lutheran Church, and the American Evangelical Lutheran Church.

They have a combined membership of more than 600,000. ULCA's membership is 2,400,000. In Tuesday's session, the convention authorized spending a record \$26,596,560 to operate the church during 1960-61. The budget for the 1958-59 biennium is \$25,113,400.

NORTH KINGSTON, R.I. (AP) — Police Chief Burton W. Moon said he thought someone was joking in reporting the theft of a "tom-tom at the teepee." William Riley, the caller, was serious, however. SEMINARIANS BEING TAUGHT SIGN LANGUAGE

More Lutheran ministers will be able to cope with conversational problems presented by deaf parishioners as a result of the work of the Rev. H. Earl Schlotzhauer, of Idaville. The pastor of the Upper Bermudian Lutheran parish is instructing a class of more than a score of students at the Lutheran Theological Seminary here in sign language.

The class meets twice each Thursday in a course scheduled to continue through six weeks. Originally started with a dozen students, the course aroused such interest that the class has practically doubled in size.

The first sessions were devoted to the theory of sign language and instruction in the alphabet which is used when spelling out of words is necessary. Many of the letter signs are also used in forming some of the word signs which the students began learning during their fourth session.

Plan Service Here
Their instructor predicted that they will be sufficiently fluent to participate in a service for the deaf which will be held in Gettysburg some time in November. The Rev. Mr. Schlotzhauer's interest in sign language began

in 1954 when, as pastor at Spring Grove, he was named chairman of the department of inner missions of the social missions committee of the West Pennsylvania Conference.

He didn't know it at first, but he learned that one of the functions of his new position was to provide services for the deaf. He learned that a deaf group had been meeting in York but that the services had been discontinued.

Became Fascinated
Feeling that those who had attended the deaf services deserved some consideration, he arranged for the use of a church in York and prevailed upon the Rev. Kendig Bergstresser, of Harrisburg, to conduct the services.

"Watching those services fascinated me," the Rev. Mr. Schlotzhauer said. "I got a book and studied sign language. I learned enough that I was able to lead the Lord's Prayer during one of the services. That was in the summer of 1955."

But he wanted to learn more about the sign language and when Dr. Francis Shearer, then secretary for inner missions for the Lutheran Church in America, arranged an intensive one-week course in sign language at the seminary here, the Rev. Mr. Schlotzhauer was one of the 13 pastors who took the course. With his interest thoroughly whetted, he then studied more about sign language at the Galaudet College for the Deaf, Washington, D. C., the only one of its

kind in the world. **Conducts Services**
Now, in addition to his duties with the church in his circuit, the Upper Bermudian pastor conducts services for the deaf in Carlisle and Greencastle. He also conducted services here in May of 1957 and again last May. Although conducted in a manner similar to other services, the services for the deaf have some differences. Sometimes a choir will "sing" by signing a hymn in unison. For pastoral prayers of members of the congregation do

LONDON (AP) — Millionaire Lady Crane was accused Tuesday of enticing the skipper of her luxury yacht away from his wife.

A court action was filed by Mrs. Dorothy Grimshaw, 44, wife of 62-year-old Capt. Walter Grimshaw. Lady Crane, 46-year-old widow of cycle manufacturer Sir Edmund Crane, is now living aboard the yacht in the English Channel islands.

BERLIN (AP) — Communist East Germany Wednesday virtually begged hundreds of its doctors who have fled westward to return to their practices in the satellite nation.

Prof. Kurt Hager, a secretary of the Communist Party's Central Committee, made the plea as a critical shortage of hospital physicians and family doctors was reported from all over East Germany.

Nearly 500 doctors have fled the satellite since the beginning of this year because of political interference in their professional and private lives.

Hager's plea appeared in Neues Deutschland, the official party organ.

Field Marshal Montgomery Says Hesitation By Allies In '44 Prolonged War 6 Months

NEW YORK (AP) — Hesitation and dispute over strategy prevented the Western Allies from ending World War II in Europe in late 1944 instead of May, 1945, says Britain's Field Marshal Montgomery.

A top German general agrees that the Allies could have defeated Germany about five months sooner.

After the successful Allied assault inland from the Normandy beachhead rendered the German situation in France desperate by the middle of August, "the end of the war in Europe was most certainly within reach," Montgomery writes in his memoirs.

He Had Plans

"But what was now needed were quick decisions and, above all, a plan. I had a plan ready . . ." he wrote.

Montgomery's views are set forth in the second installment of his memoirs, published Tuesday by Life magazine.

Montgomery says he presented a plan concentrating the West's resources into a 40-division thrust directly up the west coast of Europe toward the Ruhr and Berlin.

German Agrees

The Associated Press asked German Gen. Huenther Blumentritt, now 66 and living in Germany, to comment on the Montgomery plan. Blumentritt was chief of staff of the German Western armies at that time under Field Marshal von Rundstedt.

Blumentritt said: "I am absolutely convinced that the war would have been over by Christmas 1944, that there would have been a saving of Allied lives and that the Western Allies would have been in Berlin before the Russians had Montgomery's plan been carried out."

He And Ike "Poles Apart"

He said the Western Front was completely disorganized after the Normandy fighting and the Germans could not have mustered enough resources to meet a sustained single thrust of great strength.

Montgomery says he and Gen. Dwight D. Eisenhower, supreme Allied commander, were "poles apart" in military strategy.

The British field marshal says Gen. Omar Bradley also had a plan for a forward strike in the middle of Germany, but that Eisenhower compromised by trying to take all the objectives on a broad advance.

No Comment From Ike

"The proper development of Allied strategy north of Seine will become one of the great controversies of military history," he writes.

ROCKET SHIP IS DISPLAYED FOR PUBLIC

By RALPH DIGHTON

LOS ANGELES (AP) — A rocket ship designed to carry man to outer space and back was rolled out for public view Wednesday.

Vice President Nixon and a shiny array of governmental brass were on hand for the ceremony, the first public debut ever staged for an experimental plane.

The new spaceship, the X15, is expected to make its maiden flight in January. Soon thereafter it will begin streaking through the sky—a stainless steel needle with its tail on fire—on test hops at speeds that may range up to 4,500 miles an hour.

Will Glow Red

One day, if all goes well, the X15 will blast up to its maximum altitude, estimated at 400 miles above earth, and man will have reached the threshold of the stars.

There, in the satellite zone, the pilot will push his ship's nose over and try to get back to earth—alive.

As the thickening atmosphere begins to drag at his craft, this spaceman will see something no human has ever seen before: the polished metal skin of the X15 will glow, then turn cherry red from the thousands of degrees of heat building up along the surfaces of its stubby wings.

In Two Years

If the ship holds together—if the pilot does everything just right—he will land safe. If ship or pilot fail, a smoking cinder high in the sky will mark the spot where another hero died.

When will this all-out effort take place?

Nobody knows. Space boss Roy W. Johnson recently disclosed plans to shoot a man into space within the next 24 to 36 months and many assumed he was talking about the X15.

Who will the man be?

Pilot Chosen

Lean-lipped Scott Crossfield, 37-year-old test pilot who was the first to fly at twice the speed of sound, has been chosen as the

writes. "In the end it was the Germans who benefited from the argument. Had we adopted a proper operational plan in the middle of August, and given it a sound administrative and logistic backing, we should have seized the Ruhr before the winter set in.

"This would not only have shortened the war. It would also have held out possibilities of bringing it to an end in Europe with a political balance very much more favorable to an early and stable peace than that which has actually emerged."

James C. Hagerty, White House press secretary, said President Eisenhower will have no comment on Montgomery's views.

YORK SPRINGS — Rally Day will be observed in Chestnut Grove Church Sunday at 10 a.m. The following program will be given: Prelude, Sandra Trostle; songs, Primary Department; Scripture, Mrs. Eugene Smith; prayer, the Rev. Norman Bortner; song; meditation, the Rev. Mr. Bortner; special numbers, Pentz children; offering; song; address by the Rev. Edwerth Korte, chaplain at Gettysburg College; music by ladies trio from Goodyear; announcements; closing song and benediction.

The York Springs WCTU met Friday evening at the home of Mrs. Elmer Hikes. Mrs. Edgar Leer opened the meeting with the reading of the minutes. Mrs. George Howe read the call to worship and the meditation. The general theme was "Not To Be Served, But To Serve," followed by the singing of "How Great Thou Art." A report on scientific temperance instruction in the public and church school was read by Mrs. Edgar Smith. Songs were sung by the children after which they went to another room first to take the X15 aloft.

Actually, there are three X15s, and two other pilots will take part in the long series of tests. The others are Air Force Capt. Robert White and Joseph Walker of the National Advisory Committee for Aeronautics. Which will be the first man to reach outer space is anybody's guess.

to work and later served the group a fruit punch which they had made.

Reports were given by those who attended the state WCTU convention in Chambersburg. A request was made by Mrs. Leer that used greeting cards handed in by the February meeting as they are being sent to Nigeria in March. Mrs. Smith had bought a set of new flags, American Temperance and Christian, and presented them to the Union.

Ten Union signals are being subscribed for by the Union to be sent to the members. The next meeting will be held at the home of Mrs. Smith. The meeting was closed with Mrs. Smith leading in the salute to the three flags and sentence prayers.

Personals

Mr. and Mrs. G. W. Howe were among Sunday guests of William Albright and family, Mt. Union, and formerly of Rock Chapel.

Andrew Martin returned to his home on Monday evening from the Warner Hospital where he had been a patient. While at work he fell, breaking his left arm at two places and puncturing his right arm.

Eugene Evans, Richmond, Ind., is visiting with his cousins, Mr. and Mrs. Elmer Coulson.

Mrs. Freida Lund, Osborne, Kan., is visiting her daughter, Mrs. Earl Lewis, and family.

William Weigle, a freshman at Stroudsburg College, Stroudsburg, spent the weekend with his parents, Mr. and Mrs. Grayson Weigle.

The Homemakers will meet at the home of Mrs. Mary Jane Reinecker this evening.

HAM REPORTS NEW SPUTNIK

KANSAS CITY (AP)—Is there a new electronic voice in the sky? Sputnik No. 4?

"It's a new satellite," says amateur radio operator Elmo Melton, "or else some mighty weird things are happening."

The 59-year-old Melton said he heard a new signal Tuesday night at intervals of 100, 105 and 117 minutes. Melton, who listens almost nightly for Sputnik No. 3, insists it is a new signal. "Sputnik 3 sounds like a slow letter A," he said. "This one resembles a fast T, about four dashes a second."

He said he first heard the radio signal Monday morning and it has been growing stronger. The Naval Research Laboratory in Washington said it had not received any new signals.

Melton said one of Tuesday night's signals came two minutes after the expected "beep" of Sputnik III. The signal comes in on the same frequency as Sputnik III—20.005 megacycles—he said.

4 KILLED IN PLANE CRASH

BATAVIA, N.Y. (AP) — A private plane crashed in dense fog Wednesday, killing an Air Force sergeant, his wife, and their two children.

Killed were Sgt. Francis McKinney, 31, of Jacksonville, Ark.; his wife, Anne Mae, 26; a daughter, Deborah, 4, and a son, Robert, 2.

Airport officials said they had cautioned McKinney Tuesday night against trying to fly in fog surrounding the airport. He took off this morning without notifying them, they said.

The four-place, single-engine plane crashed moments later near the New York State Thruway, two miles north of here.

McKinney was returning to Little Rock, Ark., where he was stationed, state police said. The family had been visiting relatives here.

60-Year-Old Woman Named "Practitioner Of Year"

PHILADELPHIA (AP)—A tall, quiet-spoken grey-haired lady was the center of attention and admiration Tuesday night at the 10th annual dinner of the Medical Society of Pennsylvania.

And while she was very much at home among these learned men of science, it was equally obvious that this modest, dedicated woman would have preferred her usual seat at one of the rear tables to the position of prominence accorded her near the speaker's rostrum.

For this was 60-year-old Alice E. Sheppard, a native of Pottstown, doctor of medicine and general practitioner in her home community for more than a quarter century.

Tuesday night, her physician colleagues bestowed upon her their highest honor, the title of General Practitioner of the Year. She is the first woman to be so honored by the state medical society.

"Career Of Service"

Before presenting her with the framed award on which was engraved the legend that Dr. Sheppard had been chosen for her "outstanding and devoted service to her community, county and state," retiring President Dr. John W. Shirer of Pittsburgh briefly outlined her career of service.

A 1926 graduate of Woman's Medical College of Pennsylvania, she served a year's internship at Lancaster General Hospital and a year as medical director of Woman's Hospital in Philadelphia.

Since 1928, she has practiced general medicine in Pottstown. She has delivered more than 1,800 babies, but gets her greatest professional enjoyment from the treatment of an entire family. She initiated the work which has since seen its fruition in the establishment of a mental health clinic in Pottstown.

Others Honored

Also honored at the dinner, at which the new president, Dr. John T. Farrell of Philadelphia, was sworn in, were Roy E. Morgan of Forty Fort and the Lions Club of Wyomissing, Pa.

Morgan, executive vice president of the Wyoming Valley Broadcasting Co., received the individual Benjamin Rush award for a "Safeguard Your Health" series over television station WILK, Wilkes-Barre.

Chester W. Deppen accepted the Rush group citation, for the Lions Club's efforts in winning passage of the air rifle bill by the 1957 state Legislature.

The bill curbs the use of air rifles by youngsters and is aimed at reducing eye injuries by careless firing of the weapons.

DEATHS

By THE ASSOCIATED PRESS

OMAHA (AP)—Eugene C. Eppley, 74, once reportedly the largest individual hotel operator in the world, died Tuesday. The Eppley holdings included the William Penn, now the Penn-Sheraton, in Pittsburgh, the Fontenelle in Omaha, the Elms in Excelsior Springs, Mo., and the Seelbach in Louisville, Ky. The chain of 22 hotels was sold to the Sheraton Corp. in 1956 for 30 million dollars. He was born in Akron, Ohio.

STONE HARBOR, N.J. (AP)—Benjamin Allen, 61, a senior vice president of the Curtis Publishing Co., was found dead, apparently of natural causes, Tuesday. Allen, of Philadelphia, had been on leave of absence from the Curtis firm since May 15 for reasons of health.

FALLS CITY, Neb. (AP)—Joseph L. O'Grady, 81, of Denver, warden of the Nebraska Penitentiary from 1935 to 1941, died of a heart attack Monday. He was born in Dawson, Neb.

RACKIN, MAHIN COULD WRITE NEW CHAPTER

By BOB THOMAS

AP Motion Picture Writer

HOLLYWOOD (AP)—"We're paying two actors a million and a half dollars and neither of us has a maid. Our wives do the cooking."

This was the happy admission of Martin Rackin and John Lee Mahin, a couple of movie mavericks who could write a new chapter in the history of free enterprise.

Picture these two guys: Mahin, a tall, chunky, soft-spoken master of the film writing craft with credits all the way from "Scarface" and "Red Dust" to "The Bad Seed" and "No Time for Sergeants"; Rackin, a glib, friendly fellow who once wrote gags for Red Skelton, graduated to film writer and producer.

Wanted To Roll The Dice

Together they could point to a half-century of toil in the movie mills. And they could earn hefty salaries working for studio bosses.

"But we weren't satisfied," Rackin explained. "When you're working for a studio, you never get to roll the dice yourself. You write a picture for Marlon Brando and you end up with a second-rate actor saying your lines. Or you change a whole script to make

it fit Gary Cooper. You never do things the way you want them done."

Producer Rackin and writer Mahin were working on a Pearl Buck script for Warner Brothers when their minds met in the common urge: "Let's make our own picture."

Picked John Ford

Both had been fond of a Civil War novel by Harold Sinclair, "The Horse Soldiers." It had kicked around town with no takers for the film rights. So they made a deal for a free option. They bade farewell to Warners and embarked on Mahin-Rackin Productions.

"You're nuts," they were told.

The two men pondered who would be the ideal director for their yarn. Their No. 1 choice was John Ford, great director of action films and an expert on the Civil War. He accepted.

Holden Joined

On a visit to Ford's house, they met John Wayne, who signed the contract and got his costumes before he even read the script.

William Holden was encountered at a party, liked the sound of the project and joined the team. The outlay: \$750,000 plus 20 per cent of the profits apiece to Holden and Wayne; \$250,000 plus 20 per cent to Ford.

"We don't mind," Rackin said airily. "You gotta give away to get in this business. And even if we don't get it, it'll be worth it. We've had the time of our lives."

Aristotle, the philosopher, said that "poverty is the parent of revolution and crime."

Trolley Tracks Laid By A Maine Museum

Kennebunkport, Maine

(AP)—Nowadays, when trolley tracks are laid, rather than torn up, that's news!

Workers are spiking down a half a mile of rails beside U. S. Route 1 in Kennebunkport. The rails will give trolley enthusiasts a chance to ride old-fashioned open cars at the Seashore Electric Railway Museum.

The two cars to be used came from Connecticut. On exhibition at the museum are 60 cars of various types — from the United States, Canada and Great Britain. A New Zealand cable car may soon be added.

A non-profit undertaking, the museum is owned by the New England Electric Railway Historical Society, Inc.

Feuding Mayor Of Aurora Is Jailed By Ousted Chief

AURORA, Ill. (AP) — Mayor Paul Egan, who has been feuding and fusing with the police chief he fired but who has refused to quit, was jailed Tuesday night by the chief.

Egan, the controversial and publicity-minded chief executive, stayed in his cell about five hours, long after his bond of \$200 was posted. He had been charged with disorderly conduct.

The 60-year-old mayor wouldn't leave until bond for four college youths had been posted. They had been arrested when they refused to disperse from the mayor's emergency citizens' meeting. Police broke up the meeting, declaring it an unlawful assembly.

Puts Up Struggle
The stumpy little mayor put up a brief struggle.

Egan had called the meeting to organize a law enforcement group to replace the city's 60-man police force, which he also has fired.

He was in the midst of a tirade against the world in general and Police Chief Donald Curran in particular when the chief and eight policemen walked into the Council chamber.

"We got 10,000 people in America worse than anything they've got in Russia," Egan told the crowd of about 40. "And that Curran is the worst criminal in the whole world. He's worse than Khrushchev."

Going To Be Costly
Curran, speaking over a portable loud-speaker, drowned out the mayor's words, as he said: "Mayor Egan, I arrest you in the name of the law for disorderly conduct and creating a disturbance."

"You'll hear about this," Egan shouted as the cops seized him. "This is going to be the most costly thing you ever did."

The mayor's troubles with the police erupted about three weeks ago when he fired Curran and the police force for failing to clamp down on bingo. But the City Council, voting 4-1, backed Curran and the police force. Egan's efforts to take charge have been frustrated on every front.

CONFUSING
WINCHESTER, Va. (AP) — It was confusing enough for the maternity ward at a hospital here when two women with identical names were admitted. It got more confusing when both Mrs. William Leach and Mrs. William Leach each gave birth to baby girls on the same day.

NEW CABINET IS ORGANIZED FOR LEBANON

By TOM MASTERSON

BEIRUT, Lebanon (AP)—A new four-man Cabinet representing the main factions in the Lebanese civil war was formed Wednesday. Peace at once returned to Beirut.

A general strike of shopkeepers ended, and the business district started back to normal. Armed civilian gangs began dismantling street barricades.

The specter of war between Moslems and Christians appeared to have subsided.

May Cool Tempers
The new government cannot solve any of the little country's long-term problems. But it may cool tempers and restore order so that these problems can be settled politically and not in street battles and terrorism.

Rashid Karami, a leader of the rebellion against former President Camille Chamoun, remained premier. But his deputy premier now is Pierre Gemayel, leader of the pro-Chamoun Phalange party whose three-week strike had closed most business establishments and brought down Karami's first Cabinet.

Situation Ugly
The other two members are Hussein Oweini, whose National Front spearheaded the rebellion against Chamoun, and Raymond Edde, a neutral who had tried to mediate the civil war.

The new government called on all citizens to "resume work and restore order to permit Lebanon to return to a normal life." The east Mediterranean Arab state has been torn by violence since May 10. Lately the situation has grown uglier with daily slayings and kidnappings.

Politics
NORRISTOWN, Pa. (AP)—Arthur T. McGonigle, Republican candidate for governor, said Wednesday party bossism in the ranks of the Democratic party has created mass disillusionment.

axis have been summarily dismissed," McGonigle said in a speech prepared for a nearby Glenside.

The GOP candidate referred to Mayor David L. Lawrence of Pittsburgh, Democratic candidate for governor, and Gov. George Leader, Democratic candidate for the U. S. Senate.

"Self-seeking Demagogue"
He said that many persons thought that Leader "was a knight in shining armor when he aspired to the governor's chair. Now they see him in his true light—a vain, self-seeking demagogue who has bought underworld support for his campaign through granting of pardons and paroles for hardened

criminals."

"That these liberated animals again victimized society was of no concern to him," McGonigle said, adding:

"At a time when thinking persons insist that candidates today are required to be more intelligent than ever before, the old pros seem to be insisting that incompetent cronies of the Leader-Lawrence stripe be put into office."

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

Stylish, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars... full-flow oil filtration that lets you change oil at 4000 miles instead of the 1000 often recommended... new Tyrex cord tires for greater economy and safety... a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever... and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts.

NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-gear axle.

Altogether NEW in everything you can see, feel or touch!

Officials See Even Chance For Agreement At Geneva

By WARREN ROGERS JR.
Associated Press News Analyst
WASHINGTON (AP) — If there were a pari-mutuel window at the State Department, the odds would be 50-50 that some agreement will be reached at the Oct. 31 Geneva meeting on halting nuclear tests.

This is pretty good, considering there is no certainty that the meeting will even be held. The Soviet Union lately has been grumbling about not shooting off as many nuclear test bombs as the United States and Britain. The Soviets started some catch-up shots a couple of weeks ago.

Nevertheless, all concerned expect the Soviet Union to show up Oct. 31. The real target of the grumbling, knowledgeable officials are convinced, is a string attached by the United States to its offer to stop tests for at least a year.

Troop Cut Issue
This string is the proviso that some progress must be made during the year in cutting back troop strength and reducing the quantity of guns, tanks, ships and planes. If no progress is made, testing could be resumed.

The Soviet Union from the start has been eager to "ban the bomb" on an everybody-trust-everybody basis. But it never has been anxious even to discuss reducing military manpower or limiting conventional weapons.

The reason is simple. The Soviet Union lags behind the United States in atomic and hydrogen weaponry. It has far more men under arms and far more non-atomic weapons power. Ban the bomb and, instead of an East-West military standoff, you have Soviet superiority.

Propaganda Drive
Soviet statements, like that of Foreign Minister Andrei Gromy-

ko at the United Nations five days ago, seem to be laying the groundwork for a propaganda drive against the conventional cutback proviso.

Kremlin propagandists have had a field day with the democracies on the test issue. A big puzzle in Washington is: Why did the United States reverse its nuclear test policy? Clever Communist propaganda, playing on sincere desires for an end to the cold war, is a likely answer.

Secretary of State Dulles, with full support from President Eisenhower, however, had long set his jaw against halting atomic tests without the sly. He offered an impeccably logical formula for controlled stopping of tests, but it was complicated.

"Ban The Bomb"
The Soviet Union pounded away on its simple theme, "Ban the bomb!"

The simple idea caught on, as simple ideas have a way of doing. Neutralists like India, allies like Britain, Republicans like then disarmament adviser Harold E. Stassen, Democrats like Adlai E. Stevenson—all began pressuring Dulles for a trial halt in U.S. tests without strings and even without international agreement.

The reversal came Aug. 22. Eisenhower noted experts from both sides of the Iron Curtain had decided at a Geneva meeting that a controlled, supervised test ban was technically feasible. He announced a U.S. willingness to suspend tests starting with the Oct. 31 diplomatic talks, which take up where the technical experts left off.

Top Western diplomats expect the Soviet Union will meet Eisenhower's two conditions—attend the

meeting and refrain from touching off an atomic blast during the one-year moratorium.

They are not so sure what kind of agreement, if any, can be expected.

NO CROWDS, NO HEAT, LITTLE INTEREST IN N. J. ELECTIONS

By JOHN KOLESAR
TRENTON, N.J. (AP) — New Jersey's U.S. Senate candidates look as though they were picked by a Hollywood casting director. But the campaign has been no hit at the box office.

The whole thing has party heads on both sides baffled. It figures to be a very close election. But no crowds, no heat and not much voter interest have shown so far.

Running for the Republicans is U.S. Rep. Robert W. Kean, 65-year-old veteran congressman and millionaire investment banker with a U.S. Senate tradition in his family. His gray hair, almost white mustache and dignified carriage conform to one of the popular ideas of what a senator looks like.

Seek Smith's Seat
Opposing Kean is Harrison A. Williams Jr., 38-year-old lawyer and former congressman. Dark-haired and boyish-looking, Williams personifies the young, liberal Democratic candidate.

They are battling for the seat

being vacated by Sen. H. Alexander Smith, 78-year-old Republican who is retiring.

Kean's 20-year record in Congress has been the main battleground. He backs the Eisenhower foreign policy, favors economy in government and speaks often with pride about Social Security law amendments he has sponsored.

Adams Issue There
Williams, who often backed Eisenhower's foreign policy when he was in Congress from 1954 to 1957, is more critical nowadays. But he charges that there is a marked isolationist trend in Kean's record. He says much of Kean's work on the Social Security law was technical and that many times Kean voted against the basic ideas involved.

A large unspoken part of Williams' campaign is the Sherman Adams issue. Kean admits the Adams case may cost him votes, even though he was one of the first Republicans to call for Adams' resignation as President Eisenhower's top aide, after Adams was shown to have accepted favors from a friend who was in some difficulties with the government.

Both men have concentrated on personal campaigns, with little reliance on television and radio. While their schedules are basically similar, Williams relies more on rallies at union halls and fewer teas and coffee hours than Kean.

Both men travel around the state in automobile caravans led by sound trucks (Kean's unac-

countably features a recording of "Happy Days Are Here Again," the New Deal theme song.

Son Of A Senator

Both Kean's father and uncle were U.S. senators. His party has won every U.S. Senate election in New Jersey for the past 23 years. Williams won election to Congress in 1953 in a district that had not elected a Democrat in the 22 years since its creation.

He was defeated for re-election in 1956 by 4,000 votes when Eisenhower piled up an 80,000-vote plurality in the district.

Both sides make standard vic-

FIGHTING TB EFFECTIVELY WITH DRUGS

PHILADELPHIA (AP) — It is only a slight exaggeration to say that no one need die of tuberculosis nowadays, Dr. Archibald C. Cohen told a meeting of the Medical Society of Pennsylvania.

Dr. Cohen is on the staff of the Veterans Administration Hospital in Butler. He spoke to a specialty meeting Tuesday on chest diseases.

Drugs are now the mainstay of tuberculosis treatment, said Dr. Cohen, adding that although "we do not have a completely effective anti-tuberculosis drug, the drugs we do have are resulting in an enormous change in the field of this disease."

Mortality Cut

The mortality has been greatly reduced; the length of hospital stay has been greatly reduced; so has the relapse rate; collapse therapy has almost disappeared from view; and excisional surgery has become much safer and much

tory predictions, but neither is overly confident. The 1954 Senate election in New Jersey was decided by 3,000 out of 1,700,000 votes, and polls so far show Kean and Williams exactly even.

more widely practiced."

Dr. Cohen reported that part of the treatment is a sympathetic attention to patients' emotional problems.

How far rest should figure in the modern treatment of the disease is a controversial subject, Dr. Cohen said. He related that whereas only a few years ago complete rest was universally accepted as essential, strict bed rest has been abandoned as treatment almost everywhere.

"If, like Rip Van Winkle, a tuberculosis physician had fallen asleep 20 years ago and awakened today, he would hardly recognize either the disease or its treatment," he asserted.

"If similar progress is made in the next 20 years, we shall see the end of tuberculosis as a major disease."

HARRISBURG (AP) — Shoop's Lutheran Church of Harrisburg today had Dauphin County Court authorization to sell its 175-year-old cemetery on U.S. 22 east of Harrisburg.

The court ruled that some 406 bodies in the cemetery must be "reverently disinterred and reburied" in new ground purchased by the buyers of the old cemetery, Joseph Nissley, Harrisburg attorney, and Galen Fisher, of Harrisburg. They bought the old cemetery for \$10,000.

Shoop's Church was organized in 1783 and has been in continuous existence since then.

TRUSTEES SAY PATIENT DIED ACCIDENTALLY

SELINGROVE, Pa. (AP)—The death of a patient at the Selingrove State Hospital last Friday apparently was accidental, the institution's board of trustees reported.

William Zurick, Treverton, board president, said Tuesday that a detailed investigation by the board indicated that three institution employees, suspended after the inmate's death, were free of any wrongdoing in the case.

Dr. Leslie R. Angus, superintendent of the institution for mental defectives, suspended the three after Glenn Martin, 38, of Terre Hill, Lancaster County, died.

Died Of Complications
Zurick said medical records showed the man died of complications following the puncture of his lung by a broken rib.

"There was a terrific scuffle," said Zurick. "It took all three of the men to finally subdue him and they were badly battered in the effort."

Zurick described Martin as a husky man, weighing about 200 pounds.

Was Epileptic
"During the scuffle he apparently bumped some furniture which may or may not have fractured his rib, leading to the complications," Zurick added.

Zurick said the dead man's school record showed he had been subject to epileptic seizures and on several occasions had caused disturbances at the hospital.

"The board is going to recommend to the Department of Public Welfare that these men be reinstated in their jobs and be compensated for the time they have lost from work," Zurick declared.

He added that the final decision in the case is up to the Welfare Department.

DALLAS (AP)—The same armored car has driven into the basement of the new City Hall to pick up funds nearly every day for a couple of years. Tuesday the top of the truck ripped a heating duct loose from overhead. Maintenance engineer H. L. Garland quickly found the trouble. "They got new tires today," he said. "New tread."

How does Mrs. Average Homemaker use her daytime working hours?

Without a doubt, her life is composed of many facets. Shopping, chauffeuring, child care, cleaning and cooking are only a few of the tasks which require her varied talents. And, if her home is to be well-run, each segment of the day is committed to certain projects that must be completed.

However, there comes a time when there is a desire to be creative; and what better time is there to be just that than when planning and preparing the family's meals?

Along with nutrition, variety in meals is very necessary. Since meat should be the backbone of every meal, variety in meats served is essential.

Versatile lamb offers a world of opportunity in menu planning; for it possesses a delightfully mild, appealing flavor that's compatible with many fruits and vegetables. Not only is this meat greatly relished, but there's a lamb cut to fit every occasion and everyone's pursestrings!

One of the favored ways to serve this delicious meat is as a Lamb Loaf. Ground meats have always been popular, and this loaf is not only easy to do, but easy on the food budget, too!

Make it this way. For 6 to 8 servings, you'll need 2 pounds of ground lamb. Mix the lamb with 1 cup of milk, 1 egg, 1 cup of cracker crumbs, 2 tablespoons of chopped parsley, 2 tablespoons of minced onion, 1 minced green pepper, 1 teaspoon of salt and 1/4 teaspoon pepper. Pack into a 5 x 9-inch loaf pan. Bake in a slow oven (300° F.) for 1 1/2 to 2 hours.

This Lamb Loaf is especially tasty when served with a hot mushroom sauce. Buttered broccoli is a colorful vegetable accompaniment, and don't forget to include a fruit salad or dessert!

RIGHTISTS IN ALGERIA CALL FOR A STRIKE

ALGIERS (AP)—Rightist politicians in Algeria called for a general strike this afternoon during demonstration protesting Premier de Gaulle's order banning the French army from politics in the North African territory.

In Paris, Gen. Raoul Salan, military governor of Algeria, and Gen. Paul Ely, commander of all French forces, met with De Gaulle and the cabinet. It was assumed the premier was impressing on them his determination to reimpose the government's authority over the army in Algeria.

Civilian members of the Central Committee of Public Safety for Algeria, who touched off the May 13 revolt against the Fourth Republic that brought De Gaulle back to power, raised the threat of a similar rebellion against De Gaulle.

Will Continue Fight

The Algerian politicians, already openly dissatisfied with De Gaulle's overtures to the Algerian Moslems, said they would "continue their fight for the objectives of May 13"—integration of Algeria into France, which would preserve French control.

De Gaulle in his order said he had acted to insure that the election Nov. 23 of Algerian representatives to the French National Assembly would be held "under conditions of absolute freedom and sincerity" and so that candidates of "all tendencies" could compete. This was taken as an invitation to the nationalist rebels who

have been fighting for independence for four years.

Army officers resigned Tuesday from the Public Safety Committee in obedience to De Gaulle. But they did not hide their bitterness. Some top officers said they had resigned only because the order came to them through Salan.

HEROINE IN 'PETER GUNN' WINS PRAISE

By CHARLES MERCER

NEW YORK (AP)—No matter what the critical view of "Peter Gunn," the new television shoot-'em-up series, the masculine view of its heroine, Lola Albright, is altogether approving.

Miss Albright is a lithe, beautiful, blue-eyed blonde who plays the role of a nightclub singer named Edie Hart. And Edie is the beloved of Peter Gunn, played by Craig Stevens in the new NBC-TV "mystery-adventure" series.

As Edie, Miss Albright, makes it as difficult as possible for our hero to concentrate on his vocation of adventurer and amateur sleuth, Edie loves Peter. And Peter loves Edie. They demonstrate their affection for each other in some pretty torrid love scenes.

She's Beautiful

When Miss Albright visited New York a while ago, we asked her point-blank why Peter is so taken with Edie.

"Let's avoid the obvious that Edie is a beautiful woman," we said. And that was very obvious as Miss Albright, wearing yellow

toreador pants and a leopard skin robe, curled herself in a chair and fixed her very blue eyes on us.

She Sings, Too
"Let us," we said uncertainly, "try to fathom why Peter keeps hanging out in that night club quaintly called Mother's and talking it up with Edie."

"He enjoys her singing," said Miss Albright.

That's a good reason, because Miss Albright—pardon, Edie—is a good singer. But what other things about Edie, besides her beauty and singing, make Peter pursue her?

Miss Albright smiled thoughtfully and said, "For one thing, she never lets Peter down. She's not at all possessive."

One In A Million

"He can come and go as he likes, as far as she seems to care, and as a result of her attitude he never wanders far from her. Another thing about Edie is that she's never catty. You'll never hear her make nasty remarks about anybody. She accepts people and life for what they are."

"If you watch her closely, you'll also see that she's not terribly vain, nor is she greatly preoccupied with things like mink coats and expensive cars. She'd never think of urging Peter to make a lot of money or of trying to get anything out of him."

Closing our sagging jaw, we muttered that Edie certainly is a woman in a million.

UN Secretary Asks Members To Pay Conflict Situations

By WILLIAM N. OATIS

UNITED NATIONS, N.Y. (AP)—Secretary General Dag Hammarskjöld Wednesday recommended that the U.N. Assembly set up stand-by arrangements to get military forces from member countries quickly to meet specific "conflict situations."

Hammarskjöld made his recommendation in a 24,000-word report on the U.N.'s experience with the U.N. Emergency Force in Egypt.

His plan somewhat resembled suggestions Secretary of State Dulles had made to the assembly Sept. 18 for stand-by arrangements for a U.N. peace force.

Expect Red Criticism
The secretary general's proposal seemed certain to draw criticism from the Soviet Union. The Soviet bloc has refused to pay its allotted share of UNEF's expenses, contending the Assembly usurped the Security Council's authority in creating that force. Soviet Foreign Minister Andrei A. Gromyko has attacked Dulles' suggestions.

Hammarskjöld said experience with the different forms of U.N. intervention in Egypt, Lebanon, and Jordan had shown the need for flexibility.

"In each new conflict situation in which the United Nations might be called upon to intervene with military personnel," he said, "the nature of the actual organization required and its paramilitary aspects would be determined by the particular needs of the situation and could not, therefore, be anticipated in advance."

Situations Differ
Such situations differ so much, he went on, that "a nucleus United Nations force of the type generally envisaged would be without great practical value."

He recommended, therefore, that the Assembly "do no more than endorse certain basic principles and rules which would provide an adaptable framework for later operations."

Hammarskjöld said his Secretariat then could sound out governments that might plan for "the possibility of having to provide

promptly — on an emergency basis, on specific appeal from the United Nations—men and material" for a specific U.N. operation. On another front, U.N. members pledge money today to funds totaling 100 million dollars to help underdeveloped nations improve their lot.

Promises \$38 Million
Sen. Mike Mansfield (D-Mont), a U.S. delegate to the General Assembly, promised 38 million dollars in advance of the special pledging conference. Soviet Delegate G. P. Arkadyev said the Soviet Union also would contribute but didn't say how much.

The Assembly authorized a 50-million-dollar fund to help the underdeveloped nations train technicians and plan large-scale development projects.

The other 50-million-dollar program is the U.N.'s regular technical assistance program, which provides specialists to advise local farmers, businessmen and others.

Emmitsburg

Mrs. Ralph Long Times Reporter—Phone HI 7-5181
EMMITSBURG — A party was held Monday evening in St. Euphemia's hall to help defray expenses of the work being done around the church and grounds. Most recently completed was the erection of a red iron fence around the front of the church. The fence replaces a stone wall which deprived motorists coming out of DePaul St. of a clear view of Route 15.

Only one Mass will be said during the week at St. Joseph's Catholic Church at 6:45 a.m., since the Rev. Fr. Sleasman, assistant pastor of St. Joseph's Catholic Church, was called home to the bedside of his father who is very ill.

Starting Sunday the 10 o'clock Mass will be a High Mass for the winter months. The 7 a.m. Mass will be the Communion Mass for the Children of Mary. Mission Sunday will be observed with a

special collection at all three Masses for the missions at home and abroad.

October devotions are being held every evening at 7:30 o'clock during the month with the exception of Sunday at which time they are held at 7 p.m. The Rev. Fr. Twomey, pastor, has asked the people to do all they can to help make the church bazaar, which will be held November 8, a great success.

Eighth Anniversary
A birthday party was held Sunday afternoon at the home of

Mr. and Mrs. Charles B. Shorb in honor of the eighth birthday of their daughter, Karen. Those present were Maureen Waters, Joan Eiker, Debbie Baker, Carol Lee Weidner, Candy Vaughn, Karen and Lynn Shorb, Gary Cool, Philip Ott, Gregory Zurgable and Mike, Pat and Kerry Shorb. Games were played and refreshments served.

A ham and oyster supper for the benefit of the Lutheran church property renovation fund will be held in the parish hall Saturday with serving starting at 4 p.m.

Paul A. Keepers quietly observed his birthday October 14. The VFW Auxiliary will sponsor a Buddy Deane dungaree hop to be held in the VFW annex on October 30. Tickets may be purchased from any member of the auxiliary.

To Practice Teaching
Senior student teachers of St. Joseph College left October 14 for five weeks of teaching experience in the junior and senior high schools of the Baltimore Public School System. In the nine junior and senior high schools where the

student teachers will fulfill practice teaching requirements the following will be taught: English, French, mathematics, secretarial science, social studies and home economics.

Among the 17 seniors who are preparing for the teaching field are the Misses Theresa Rybikowsky, daughter of Mrs. Regina Rybikowsky, and Mary Jane Scott, daughter of Mr. and Mrs. J. Harry Scott, both of Emmitsburg.

SCRANTON, Pa. (AP)—Authorities at the Farview State Hospital for the Criminal Insane at Waymart have requested state police to help them search for Laurence Lane, 46, Monroeton, Bradford County, who escaped Tuesday.

Lane, trusty and not considered dangerous, apparently walked off the hospital grounds while working with a maintenance crew. He was committed to Farview April, 1954, after being adjudged insane during a trial on charges of distributing obscene literature.

SLOW TO CATCH ON
NEW YORK (AP) — The major movie theaters along Broadway are supplying a new service for customers now, but without too many takers so far. Patrons get free parking at midtown garages by having their claim check stamped at the box office. Although the usual parking fee is about \$2, the number of motorists taking advantage of the deal averages about 120 weekly per theater.

COLD FEET...?

A generation ago some people thought rubbing the soles of the feet with grease would ward off a head cold. Today, we know better. Adequate rest and a well-balanced diet go a long way toward preventing colds. But, sometimes even the best precautions aren't good enough. When you are ill—whether you have a cold or something more serious—effective medications are important. They can be the difference between pain or comfort... slow or fast recovery. Let your physician decide the remedies you need. Then come to us for the prescribed medication.
